

Preparing Your
Child for
Kindergarten

- 
- A stylized house with a bell tower and a smiling sun. The house is drawn with thick black outlines. In the upper left corner, the text 'Preparing Your Child for Kindergarten' is written in a cursive font. The bell tower is a square with a bell inside. To the right of the house, a large, smiling sun with rays is visible. The sun has a face with two dots for eyes and a curved line for a smile. The rays are represented by short lines of varying lengths, some ending in small black dots. The house's roof is a simple triangle. The overall style is simple and child-friendly.
