*We are building strong schools and strong communities.*

# *It starts with YOU!*

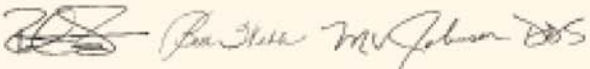

## Dear Friend:

Excellent public schools remain the cornerstone to quality of life in the Plano community. As active members of the Plano community, we all want Plano schools to remain among the best in the nation.

Today our school district needs our help to address the increasing needs of students. The Plano ISD Education Foundation was formed by community members to raise private dollars to fund priority programs identified by the school district for which tax dollars are not available. All funds remain in Plano ISD and are not subject to recapture.

Join the more than 3,000 community supporters who contributed to the Plano ISD Education Foundation to enhance instruction in Plano schools by donating to the Community Honor Roll. The greatest investment any of us can make is in the future of our children. It will take a community effort to sustain an award-winning school district. We appreciate your support of this important cause!

  
Ralph Stow Beth Webb Marshall Johnson, DDS

## Did you know? Plano ISD...

- ... Has more than 53,000 students.
- ... Spans 68 campuses across the District.
- ... Must send more than 30% of our taxpayer funds to the State of Texas for use in other communities.

## We need your support to continue providing first-class education to our students.

The Plano ISD Education Foundation will give approximately \$900,000 this year for district-wide programs and services supporting Plano ISD that really make a difference:

- Grants to teachers and schools to enhance the instruction of our students;
- Funds for programs that focus on closing student achievement gaps and ensure all students are college-ready;
- Sponsorship for initiatives that recruit, retain and recognize the very best teachers;
- Scholarships for economically disadvantaged students to attend Plano ISD 5th grade camp;
- Emergency grants to Plano ISD employees experiencing a short-term personal crisis.

For more information,
