

Applying for a teaching position with Plano ISD is a two part process:

1. Complete the Teacher Insight Interview
2. Complete the online employment application

Only files that have both the completed Teacher Insight Interview and online employment application can be considered for interviews by principals.

Teacher Insight Interview

The website for the teacher insight interview is <http://gx.gallup.com/teacherinsight.gx> You will need to reserve at least 45 minutes to take this multiple choice and free response instrument; there are no right or wrong answers. Please read the instructions carefully before beginning (answers are timed).

If you have completed the teacher insight interview with another entity, please transfer the information to Plano ISD by going to the above website and entering our district code number. **The code number to access or to transfer the interview online is 4534.**
