

## Record Number of Plano Musicians Selected for All-State Ensembles

The Texas Music Educators Association has announced the selection of a record 69 Plano I.S.D. students representing all high school campuses for positions in this year's coveted All-State music groups. Band and choir students completed the audition process on January 6th in Tyler. Orchestra students were notified of their selection in late November. These students now begin preparations for three days of intensive rehearsals with outstanding guest conductors and a concert before the TMEA membership on Saturday, February 17, 2006 in San Antonio. Congratulations to these outstanding musicians!
