

Commended Students in the 2008 National Merit Program

More than two-thirds or about 34,000 of the approximately 50,000 high scorers on the PSAT/NMSQT® receive Letters of Commendation in recognition of their outstanding academic promise. Commended Students are named on the basis of a nationally applied Selection Index score that may vary from year to year and is below the level required for participants to be named Semifinalists in their respective states. Although Commended Students do not continue in the competition for Merit Scholarship® awards, some of these students do become candidates for Special Scholarships sponsored by corporations and businesses.
