Synchronous Meeting Information:

For our Synchronous meetings, we will use either Google Meets or Zoom, depending on the activity. The link for any Google Meets session can be found in the banner at the top of the Google Classroom page. You'll see "Meet Link" followed by the link students will click in order to access that session. If we are using Zoom, I will post the link and any passcodes into an announcement on Google Classroom the day before our synchronous session.

Important: Unless told otherwise via an announcement on Google Classroom, we will use Google Meets for simplicity.
