

About Ms. Ha

I graduated out of PISD (Plano West) and continued my education to earn a bachelor's degree in Economics with a minor in Education from SMU, and a master's degree in Education from UNT.

I enjoy all subjects, so it's hard to say which is my favorite anymore! My priority is to hold a safe environment for my students, and my goal is to emotionally support my students so that they are eager to come to school every day to learn and grow their brains 🧐

I love spending time with my family--especially my cats--, watching movies/tv shows/Korean variety shows, listening to older decades of music, and finding new ways to live sustainably 💕
