STUDENT RESPONSIBILITIES AND BEHAVIORAL EXPECTATIONS

The choice to join a successful organization brings with it a commitment to put in the time and energy necessary to add to that success. Lack of practice and preparation, disruptive classroom behavior, or a negative attitude can be very detrimental to the high level of achievement we strive for in the Otto Orchestra. By enrolling in the Bobcat Orchestra, you are making a commitment to the orchestra as an organization and, more importantly, to yourself and the other students in the ensemble. This commitment includes responsibility for the following:

- Participation as a member of the orchestra for the full school year.
- Do your best to grow musically as an individual.
- Maintain a positive attitude and support the goals of the orchestra.
- Do nothing to interfere with the teaching and learning happening in our classroom.
- Practice DAILY! While practice sessions are short at first, they will increase. Inadequate practice will result in poor performances.
- RESPECT all people, equipment, and facilities of the Otto Orchestra. This includes instruments, teachers, guests, peers, and yourself!

PRIVATE LESSON INFORMATION

We highly encourage students to sign up for lessons. One lesson per week will be scheduled at Otto before school, during class, or after school. This is a one-on-one environment and will benefit the student tremendously. Students will be assigned teachers in August. This is a first come, first served arrangement. If you wait until September or later, private teachers may not have available time slots! More information about private lessons, as well as the contract and sign up form, will be sent home with your child. If interested in taking private lessons, please fill out the form completely and return it to Ms. Phillips or Mr. Mitchell by August 16th.

ORCHESTRA CALENDAR & ATTENDANCE POLICY

The orchestra calendar can be found on Google Classroom and Google Site.

Consistent rehearsal/performance attendance is vital to the continued success of our Orchestra Program and a required part of our curriculum. All orchestra members are expected to attend all rehearsals and performances that are on the calendar. Failure to do so will be reflected heavily in grading.

Please review the calendar and notify the Director of any conflicts as soon as possible. By providing this schedule early, you can avoid scheduling conflicts. Do not plan non-emergency dental/doctor appointments during scheduled rehearsals, sectionals, or concerts. Notification to the director of any conflicts must happen at least 2 weeks in advance of all events.

Never use lack of a ride as an excuse for not being somewhere! Make arrangements in advance. All absences will be considered unexcused unless cleared in advance. Only a director can excuse a student from a rehearsal or performance. Non-school sports/activities & transportation issues will not excuse absences. Repeated failure to attend rehearsals or performances may result in assignment to another orchestra, or in the case of excessive absences, removal from the Orchestra Program.

Written notice from a guardian is required for any absence. Verbal or written excuses from students are not accepted. We understand that emergencies do occur and will handle this on a case by case basis. Performances are 3 major test grades. If there is an excused absence from a required performance, students will have to complete a comparable written or playing assignment to make up the grade.

PARENT VOLUNTEER OPPORTUNITIES

The core strength of any program is the enthusiasm and support of its community. As a parent to an Otto Orchestra member, your encouragement as your child enters into this exciting new journey is the greatest help you can offer! Throughout the year, we will have several events, that will require chaperones. I will reach out via email when these needs arise. If you are interested, please go to www.pisd.edu/about.us/partners.volunteers/volunteer.application.shtml and complete the online volunteer application. **You must be cleared through the district before you can volunteer.** Thank you in advance. We cannot have a successful program without supportive parents like you!

SOCIAL EVENTS

This year we will have several social events outside of the school day. These events are not required and usually require a fee. In order to attend these events, students must be in good academic standing as well as good conduct standing! Students who exhibit behavioral problems in class may not be allowed to attend social events, or may be allowed to attend with a parent.

GOOGLE CLASSROOM

Google Classroom will be the main place where announcements, assignments, practice record links, and calendar information will be displayed and updated. Each student is required to be a member of their corresponding Google Classroom and check it daily. Recorded playing test videos will also be expected to be uploaded to Google Classroom for grading throughout the school year.

To sign up for google classroom:

1. Sign in to Classroom at classroom.google.com.
2. On the homepage, click Add and then Join class.
3. Enter your class code and click Join.

OTHER DAILY GRADES

Sectionals – Orchestras attending UIL may have weekly sectionals. Attendance is required.

MAJOR GRADES : 60%

Rehearsal Etiquette – A test grade will be given to each student each nine weeks assessing rehearsal etiquette. All students will start with a 100 and points will be deducted throughout the nine weeks for such things as forgetting instruments, repeated disruptions, failure to bring supplies, cell phones out during rehearsal, food/gum, long fingernails, etc.

PLAYING ASSESSMENTS – These will happen many times over the course of each nine-week grading period and will be calculated as daily grades or a major grade.

- Performance Etiquette
- Audience Etiquette

It is your responsibility to avoid scheduling conflicts with the dates on the calendar. Students with an EXCUSED absence will have five days to complete an alternative assignment for up to 100% of the grade, but it is the student's responsibility to make arrangements for any make up work. Unexcused absences from concerts will have five days to complete an

alternative assignment for a maximum grade of 80%. Any make-up assignments not done within the five day period will remain a zero.

LATE WORK – All assignments are expected to be done on-time. Any work that is 1-5 days late can be make up for a maximum grade of 80%. Anything later than five days will remain a zero.

RETAKES – Students may retake playing tests to raise their grade up to 50% more than the missed amount of points. (Example: if the original grade is an 80, you may retake to earn 50% of the missed points which would be ½ of 20, for a max grade of 90).

SCHOOL INSTRUMENT MAINTENANCE FEES

School owned cello and basses instruments are available for students to use during the school day. PISD instrument maintenance fee of **\$85.00** is required for all school instrument usage. This fee is used for instrument repair and maintenance including bow re-hairs and string replacement. This is a district fee that must be paid prior to the instrument being checked out to the student. If you are on free or reduced lunch please speak to Ms. Phillips if you need part of this fee waived. See below for the district guidelines on instrument maintenance fees.

A usage agreement form will be given directly to the student after an instrument is assigned in the first week of school. It is very important that you return this form with payment promptly! School cellos and basses will mostly remain at school as they are used daily in class by multiple students due to the limited number we have.

See below for the PISD guidelines concerning instrument maintenance fees.

Plano ISD Instrument Maintenance Fee Collection Guidelines

Each band or orchestra student using a school-owned musical instrument will pay an \$85.00, nonrefundable instrument maintenance fee. This fee was adopted by the PISD Board of Trustees due largely to the stress placed on the district budget as recapture funds continue to increase.

Guidelines are as follows:

1. Students will be charged one fee regardless of how many school owned instruments they are assigned (i.e. percussion, concert/marching instruments, etc.). These funds are intended for maintenance of school-owned instruments regardless of whether the student takes the instrument home.
2. Students checking out school-owned instruments during the summer months should be charged the instrument maintenance fee at the time the instrument is issued.
3. In the event of financial hardship, a waiver may be granted at the campus level, provided that the family applying for the waiver meets the same financial qualifications as the free or reduced lunch program.
4. It is recommended that students checking out school-owned instruments also purchase insurance for coverage of damage, loss, or theft if not already covered by a family insurance policy.

PERSONAL INSTRUMENT MAINTENANCE AND REPAIR

Stringed instruments are fragile and need to be handled and maintained with care. If you have a maintenance plan through a music company, then normal wear and tear should be covered. If not, you will have to pay each time a situation arises. Strings will need to be changed and bow hair re-haired on a yearly basis for quality sound. For these reasons, we highly recommend signing up for the maintenance plan on your rental instrument.

INSURANCE RELEASE

INSTRUMENT INSURANCE

The Plano Independent School District, Otto Middle School, and the Otto Middle School Orchestra staff are not responsible for loss or damage to any instrument. We encourage you to insure your child's personal instrument for fire, theft and accidents. Do not confuse this with a "maintenance plan" which covers things like broken strings and bow re-hairs. You may already have it covered with your homeowner's insurance or may have signed up for a policy with a music insurance company. If you do not already have insurance coverage, for your convenience, **MUSIC AGENCY INC.** offers insurance for instruments. Visit them at www.musicagencyinc.com

PERSONAL ACCIDENT INSURANCE

Since Orchestra is a physical activity and we have events outside of school, I need to have a record on file that states you have been made aware of the availability of the voluntary insurance policy (This form was in the packet with your child's class schedule).

PLANO ISD GUIDELINES FOR DISTRICT EXTRACURRICULAR ACTIVITIES

Students involved in extracurricular activities are held to a higher standard of conduct than the general student body. Plano ISD views participation in extracurricular activities as a privilege not a right. Any student who violates the Student Code of Conduct shall be subject to extracurricular discipline and/or regular school district disciplinary action. This includes any misconduct, regardless of time or location that would reflect negatively upon representing Plano ISD in an extracurricular activity. Students clearly involved in major disciplinary infractions (i.e. including, but not limited to, drugs, alcohol, and violent behavior) will be placed on probation, removed temporarily or permanently from extracurricular activities. Seasons of extracurricular activities may vary and could extend into the next school year.

Discipline action may affect tryout eligibility for the next season. Disciplinary measures taken by the sponsor/principal may be in one or more of three forms, defined as special assignments, probation, and dismissal.

Special assignments may consist of extra duties and may be assigned for minor disciplinary infractions. Probation and/or dismissal from extracurricular activities will be for infractions involving alcohol, smoking, drugs, use of profanity, violence, and other serious offenses when the sponsor/principal believes the integrity and credibility of the organization has been jeopardized by the student's action.

Probation may also be assigned when the student fails to comply with rules and regulations of the extracurricular activity. (Probation is defined as: A trial period in which a student is permitted to redeem bad conduct.)

The student may be dismissed from the extracurricular activity upon any major infraction, or during a probationary period. Prior to being dismissed from extracurricular activities, the student and parents will be notified of the reasons for the action. The student or his/her parents will be afforded the opportunity of a hearing with the sponsor and principal. The appeals process will be outlined at that time. Request for an appeal must be done in writing within 5 school days at each level of the appeals process. The student will not be eligible for any individual or team recognitions or awards that occur after the date of dismissal.

Plano Independent School District

Guidelines for District Provided Transportation

The safety of all students is a top priority when traveling in school provided transportation. Students being transported are held to a high standard of conduct. Appropriate behavior is expected to ensure the safety of all students.

Plano ISD provides transportation for those students who qualify. In order to take advantage of this convenience, students must adhere to the established procedures. Any student who violates transportation procedures shall be subject to disciplinary action as stated in the Campus Discipline Management Plan. This includes any misconduct on the bus, at the bus stop, or on any related Plano ISD sponsored transportation. When students are involved in disciplinary infractions (i.e., including but not limited to, fighting, eating or drinking, excessive noise level, hanging out of windows, using inappropriate language, not staying seated, defiance, destroying property, disrespect, littering, etc.), appropriate disciplinary action will be taken.

Plano Independent School District

Agreement District Provided Transportation

We have read and understand the responsibilities outlined in the Discipline Guidelines For District Provided Transportation.

We also understand the student shall be held accountable for the behavior and consequences outlined in the Discipline Guidelines For District Provided Transportation, including all District sponsored travel (to and from school, extracurricular activities and field trips).

Safety of all students on PISD transportation is everyone's responsibility. We understand that any student who compromises the safety of others shall be subject to disciplinary action and/ or suspension of transportation privileges. This includes any misconduct, regardless of time or location when traveling on any PISD sponsored transportation.

Students involved in major disciplinary infractions (i.e., including but not limited to, drugs, alcohol and violent behavior) are subject to temporary or permanent removal from District transportation.

Plano Independent School District

Publications, Video, Internet Consent and Release Agreement

Students who attend school in the Plano Independent School District are occasionally asked to be a part of school and/or District publicity, publications and/or public relations activities. For example, pictures and articles about school activities may appear in local newspapers or district publications. These pictures and articles may or may not personally identify the student. The pictures and or videos may be used by the district in subsequent years.

AGREEMENT

Student and Parent/Guardian release to Plano ISD the student's name, voice, verbal statements, portraits (video or still) and consent to their use by PISD.

Plano ISD agrees that the student's name, voice, verbal statements, portrait or picture shall only be used for public relations, public information, school or district promotion, publicity, and instruction.

Student and Parent/Guardian understand and agree that:

- .. No monetary consideration shall be paid;
- .. Consent and release have been given without coercion or duress;
- .. This agreement is binding upon heirs and/or future legal representatives;
- .. The photo, video or student statements may be used in subsequent years.
