

# Safari Digital TV

## Plano ISD Instructional Technology

### Accessing Safari Digital TV

Double-click on the Safari icon located in the Classroom Tools folder. The program will automatically log you into Safari.

### Viewing the Channel Lineup

#### Viewing the Channel Lineup (First-Time Only)

1. Select the **Modules** button.

2. From the menu on the left, click **Selective Video Streaming** and then select **Video Streaming**.
3. A channel line-up will appear. Under the **DTV** tab, click the name of the TV station that you would like to watch.

4. Click the **Play** button to watch the digital TV station.

Actions:

#### Viewing the Channel Lineup from the Dashboard

After you have played any DTV station, you will be able to quickly access that station again or view the entire channel lineup from the Dashboard.

1. Click **Dashboard** on the toolbar.

2. On the Dashboard there is a section for DTV. Your most recent three DTV stations will appear.
3. Click the **Play** button next to the station name to play that station, or click **More** to view the entire channel lineup.

### Watching TV in Fullscreen

To watch a TV channel in fullscreen, click the white square box below the video on the video controls bar.

To exit fullscreen mode, click the **ESC** key on your keyboard.
