EXPECTATIONS

Band is a group activity and everyone has a necessary role and function within the group. Performances are a culmination of the classroom learning experience. Performances and rehearsals require maximum participation if our group is to achieve the highest standards of performance.

Accountability as a mature young adult and musician will be stressed throughout the school year. A strong band program depends on interested, courteous, patient students who are willing to sacrifice personal wants, desires, and preferences at times in order to contribute to the strength and best interests of the full group. Students are expected to be quiet, attentive, and courteous during all rehearsals, section rehearsals, and public performances.

PERFORMING ENSEMBLES

Members of the Jasper High School Band are assigned by audition to one of four performing ensembles: Wind Ensemble, Symphonic Band, Concert 1 Band, and Concert 2 Band. Auditions are held twice each year. New students are auditioned upon arrival. Minimum competency levels for each band are determined by the directors.

SECTION REHEARSALS

In addition to attending band classes during the school day, band members are required to attend before or after school section rehearsals. Section rehearsals will be held once a week and will begin after marching season. Extra rehearsals may be scheduled at the discretion of the band directors.

GRADING

Grading for Jasper High School Band students shall be apportioned as follows:
