Quiz grade improvement policy:

If a student would like to improve a quiz score they **MUST** attend **mandatory** tutorials to receive reteach opportunities & concept practice. Mastery will be reevaluated through the unit test. Quiz grades will be replaced by the test grade, if higher.

Test Corrections Policy:

Any student that scores below a 70 on a unit test may complete test corrections for half credit **UP TO A 70%**. Test Corrections **must** be completed **within 1 week** of test day and students **MUST** attend one tutorial session **before** completing corrections, but may not occur in the same session as the corrections. Full work/explanation and correct answer must be shown in order to receive credit.

Extra Help:

Bobcat tutorials are for Mandatory Tutorials ONLY (Quiz/Test Reteach)
