Automatic reduction of value: When you reach age 70, the value of the life insurance becomes half the original value. For example, if you are enrolled in \$150,000, the coverage will reduce to \$75,000 on the September 1 after you turn 70.

## For Dependents

You may purchase life insurance on your spouse and/or children; however, you must be enrolled in employee life insurance in order to request dependent life insurance. Spouses are eligible until age 70, and children are eligible until age 26.

**Monthly Premiums:** (cannot be deducted pre-tax)

**Plan A:** \$5,000 spouse, \$2,000 each child = total monthly premium **\$2.12**

**Plan B:** \$10,000 spouse, \$4,000 each child = total monthly premium **\$5.10**
