Grading Policy

Daily Work 40% of grade.

Major Grades 60% of grade.

Late papers will be recorded as a “M” for missing. Will become a grade when turned in.

Exempt work will be recorded as a “X” for excused from assignment.

It is the student’s responsibility to make up any missing work. Work can not be made up after the end of a 9 weeks grading period.

Students may monitor assignments on gradebook.pisd.edu

Teachers will communicate to parents when the gradebook is closing at the end of a 9 weeks grading period and no late work will be accepted.

Students with a failing grade on a major evaluation will have one opportunity to retake the evaluation after re-teaching and/or tutoring. The highest grade possible will be a 70%.

Homework Policy

During Remote Learning there will be no homework, other than studying materials for tests and quizzes.

We will update our homework policy as the situation evolves.

Miscellaneous

Dress Code - Follow PISD Guidelines

School starts at 7:40, we need students ready with chromebook, school supplies, and textbooks.

Please have a **quiet place set aside for your child to do remote learning.**

This will not be like remote learning in the Spring. Students need to be working independently with our classes. There should not be the need for parents to assist students during their remote learning time.

We do not give out work ahead of time for students going out of town. Students will meet with their teachers, on their return, to get the assignments that they missed during their absence.
