

Welcome to Miss Browning's Class Fifth Grade 2022-2023

Tuesday, 9 August 2022

Dear Parents and Student Scholars,

I would like to express my enthusiasm and my joyful anticipation of every student scholar along with their families upon ***Meet the Teacher*** on Tuesday, 9th August 2022 from 8:30 am ~ 9:30 am as well as the ***First Day of School*** on Wednesday, 10th August 2022. It is with great pleasure along with much intentional planning and preparation that I have eagerly awaited each and every one of my student scholars with their parents.

I would like to share with you "***My Why***", which is what I strongly believe in my heart. My student scholars are "***My Why***", because I believe that every individual student scholar has ***Seeds of Greatness*** inside!!! I want every student scholar to know that I believe in You as well as your dreams, your hopes, and your aspirations along

with educating you, supporting you, and giving you tools to reach your goals and beyond.

I would like to Welcome every student scholar, parent, and family to our Fifth Grade Class for a Remarkable and Amazing 2022 – 2023 school year to embark upon a year to have extraordinary learning experience, to have a joyful laughter experience in learning, to have enormous growth learning experience, to have extended family that supports one another, to have celebrations upon every opportunity, to achieve new challenges with perseverance and grit, and ultimately close a chapter as you prepare for a new chapter going to middle school the following school year.

I want parents and student scholars to know that I have been Joyfully awaiting for your arrival! This school year will be the *Best Year* and an *Amazing Memorable Year* because it will be your final year in elementary school to reflect on all the friendships old and new you have made, new challenges that you will have and overcome, and the precious memories that you will have an opportunity to add to your *Elementary Treasures of Memories* on this academic journey.

Also, I want student scholars to remember how loving and supportive that your *First Teachers* and *Life Teachers* have been there for You to build you up, to make your heart smile, and to show as well as to tell You just how much that they (*your parents*) love You as their child and their student scholar too!!! Student Scholars do not forget to celebrate, to give thanksgiving, and to show as well as to verbalize your *Love and Gratitude* for all that your *Parents, your First Teachers and Life Teachers*, every chance you have an opportunity!!!
