

# Remote Learning with Kami: For Students

## Getting started with Kami's integration with Google Classroom™

### Step 1

- Install the Kami Chrome Extension in your Google Chrome Browser ([kami.app/extension](https://kami.app/extension))
- Click the **Add to Chrome** button, then **Add Extension**.

### Step 2

- Go to [Google Classroom](https://classroom.google.com/), open your class, and go to **Classwork**.
- Open your **Assignment**, and choose the file you wish to work on. You should now see a preview of the file; click **Open with Kami** to start completing your work in Kami.

### Step 3

- Sign in using your school's Google account using the **Allow Google Drive** button.

### Step 4

- Select **K12 School**, then **Student** as your role, then **Finish**. Now, Kami is set up on your device.

### Step 5

- Once you're finished with your work, click the **Turn In** button. This will submit your work to your teacher. Yay! You've now completed and submitted your assignment.
