

Notification to eligible secondary students regarding Policy FNA Religious Viewpoints Antidiscrimination Act

This letter communicates some of the regulations regarding the implementation of the Religious Viewpoints Antidiscrimination Act (see Policy FNA(LOCAL)). Provisions of this Act entitle secondary-aged students who are officers of curricular and non-curricular clubs (see Policy FNAB) and are also in the highest two grade levels of the campus to volunteer as an introductory speaker.

If you are in the highest two grade levels of the school campus and you are an officer of a curricular or non-curricular club, and wish to volunteer to be an introductory speaker, please secure a form from the principal's office.

Forms will be available through Thursday, January 9 and must be returned to the front office by the end of the school day on January 9 in order to speak during the second semester beginning on January 13.

Student speakers will begin on Monday, January 13. The principal or designee will hold a random drawing to select student introductory speakers from those who volunteer. Names of students who are drawn will be matched chronologically to the assigned speaking occasion.

If forms are not returned by January 9, you will not be eligible to speak under the provisions of this policy.

Introductory speakers must meet certain eligibility criteria. For your convenience, this information is listed below:

Eligibility Criteria for secondary students:
