

The PSAT 10 Score Report

A Case Study: Ima B. Student's PSAT 10 Score Report

Take a look at Ima B. Student's sample score report below and on the next page. Use the corresponding information to help you interpret your student's PSAT 10 Score Report.

What are Ima's scores?

Ima's Evidence-Based Reading and Writing score is 430, and her Math score is 530. In Evidence-Based Reading and Writing, Ima's score meets the benchmark for college readiness. In Math, however, Ima is exceeding the benchmark and is on track. Test scores, cross-test scores, and subscores can give Ima a better understanding of areas to work on.

What are Ima's score percentiles?

Since Ima is in the 10th grade, the percentiles compare her scores with those of all 10th graders in the nation. Ima scored as well as or better in Evidence-Based Reading and Writing than 39% of a nationally representative group of sophomores. In Math, she scored as well as or better than 76% of a nationally representative group of sophomores. Additional percentiles are available in Ima's online score report.

How can Ima see her full report?

Ima can visit psat.org/myscore to see her full score report, learn how to prepare for the SAT, and see her potential for AP[®] coursework.

Score Report

Additional Information Provided to Help You Understand Progress Toward College Readiness

The student score report provides further context for understanding scores by showing a color-coded bar chart for the section scores. Students who met or exceeded the benchmark will be in the green portion of the score band. If students didn't meet the benchmark but were close (within one year's growth), their scores will be in the yellow portion. Students who have a score indicating more than a year's growth below the grade-level benchmark will have a score in the red portion of the score band. Additionally, for each of the test scores and subscores, we have provided a color-coded guide to a student's relative strengths (green) and weaknesses (red).
