

# Hi!

## Welcome to our Classroom

### 6<sup>th</sup> Grade ELAR

### 2022 - 2023

I am so excited to share in your sixth-grade journey and to create amazing school memories with you. My goal this year is to give you every opportunity to laugh and learn in our classroom. I hope you find a safe space to continue to grow as a student, a friend, and the amazing person you are meant to be.

I want this to be your best school year ever!

#### Just a little about me

This is my second year teaching 6<sup>th</sup> grade ELAR at Otto Middle School.

I enjoy travelling with my husband, daughter, and our little Chihuahua, Blossom Rose.

My favorite pastime is nature and landscape photography, and spending as much time outside as possible. I love exploring any place outdoors to capture images of wildlife in their natural habitats.

As a middle-school student, my favorite books were *The Outsiders*, *That was Then*, *This is Now*, and *Rumble Fish* by S.E. Hinton.

I am an Army Veteran and have spent time in many beautiful locations around the world – Texas and South Korea being two of my favorites!

And...I enjoy being Happy!

My Learning Mantra:  
I may not know everything, but  
I'm willing to learn anything
