

May I Have Your Attention, Please?

Understanding and Parenting a Child with ADHD

Join others in the struggle, and learn effective ways to be successful at parenting a child with ADHD!

You will learn:

- The ADHD mind; causes and treatments of ADHD
- Discipline that works
- To see your child in an entirely different light
- How to communicate effectively
- How to help with social skills
- Organizational tools
- Communicating with the school
- And more!

We get it! We can help.

- ♦ Tired of screaming matches?
- ♦ Homework a hassle?
- ♦ Does your child have a hard time keeping friends?
- ♦ Not sure if you should try medication?
- ♦ Tired of repeating instructions?
