ADA/ACCESSIBILITY

Handicap seating is available throughout the main seating level of the stadium. Each disabled person may be accompanied by one companion. (Both must have tickets.) Guests can receive more information by visiting the Guest Services Center located on the concourse behind Section 127.

SIGN LANGUAGE TRANSLATION

Sign language translators can be made available at all graduation ceremonies. Please contact the main office of your student's school to arrange this service. Because Plano Senior High School is home to the Regional Day School for the Deaf, arrangements for interpretation at this ceremony have already been made. Please plan to sit in section 108 if you would like to take part in this service.

TRAVEL & PARKING

Ford Center at The Star has ample parking located in various garages and lots located immediately around the center and south of Warren Parkway with three lots located in Hall Park. See the map for details. All parking is free. Shuttle buses to Ford Center will be available to guests parked in Hall Park. See the map for shuttle pick/drop-off locations.

GRADUATE ARRIVAL

Graduates should arrive one hour prior to their ceremony. They will enter the venue through a special graduate-only entrance on the north side of the stadium. (See map.)

MEETING GRADUATES & EXITING THE VENUE AFTER THE CEREMONY

At the conclusion of the graduation ceremonies, graduates will participate in a recessional from the stadium and will be released at the Tostitos Championship Plaza located directly in front of the venue. Guests will remain seated during the recessional and will be adjourned after the graduates have exited the arena. Families will meet their graduates outside on the plaza after the ceremony. Graduates and their families should then proceed immediately to the garages and parking lots. Because of the multiple ceremonies planned on this day, all graduates and guests are asked to leave the venue within one hour after each ceremony.
