NEED A FLEXIBLE LEARNING OPTION?

WOULD YOU LIKE THE FLEXIBILITY TO EARN CREDITS ON YOUR OWN TIME?

If the answer to either of these questions is YES, then Plano ISD's eSchool may be the best option for you! eSchool provides excellent online education for students who:

- Want to enhance their high school experience

- Are experiencing scheduling difficulties and would benefit from a flexible learning option

- Need to recover credits for graduation

Plano ISD's eSchool provides students excellence in education by offering challenging courses. eSchool provides students the flexibility and connectivity to meet their individual needs. The most outstanding feature of eSchool is the teachers that instruct, support, motivate, and inspire our students!

WHAT STUDENTS ARE SAYING

"As I walk across the stage at graduation, I am going to think just for a second that I'm really only doing it because of my success in eSchool."

"eSchool helped me achieve my goal to graduate early and attend college at a time that was right for me."

"I just wanted to tell you what a wonderful experience eSchool was. My teacher was always ready to give helpful advice when I needed it and helped me through difficult times."

"I had a wonderful teacher who was my major support system. She was even there for me via e-mail when I needed help after midnight! SHE. WAS. AMAZING."

ABOUT ESCHOOL

- Since 2001, eSchool has served over 36,000 students. Our completion rate is 90% and our overall success rate is 96%.

- All students in grades 9-12 are welcome to take eSchool courses. eSchool has provided excellence in online learning to students across the United States and internationally, with students living in Singapore, Tanzania, and Saudi Arabia, among others.

- If you are currently enrolled in school and intend to take an eSchool course for graduation credit, we recommend that you contact your school counselor to receive official approval and to ensure proper recording of eSchool courses on your transcript.

- For Plano ISD students, grades earned in eSchool courses are not used in computing class rankings. eSchool courses have a neutral impact on a student's GPA and class rankings. Students that do not attend Plano ISD need to check their district's policy regarding online courses.
