When you give directly to United Way, you support our work identifying, developing, funding and monitoring programs that create lasting impact in the areas of education, income, health and basic needs. In 2016-2017, we will invest almost \$20 million in 189 programs at 124 nonprofits, programs with track records of measurable success in Dallas, Collin, Rockwall and southern Denton counties.

EDUCATION: Preparing kids to graduate ready to succeed by prepping them for kindergarten, investing in Science, Technology, Engineering and Math education, engaging parents and mentors, and working with curriculum-aligned after-school and summer programs.

HEALTH: Improving community health across the region by increasing access to physical and mental health care, developing healthy moms and babies for the first six years of life, preventing obesity, reducing substance abuse and eliminating domestic violence.

INCOME: Working to help hardworking people keep more of what they earn and providing the tools and training that lead to better paying jobs.

BASIC NEEDS: Working to fight hunger and homelessness and meeting fundamental human needs.

We focus on improving Education, Income and Health, identified as the building blocks of a great community by a blue ribbon commission of leaders from business and the nonprofit sector. We seek out, vet, develop and invest in highly effective programs focused on improving outcomes in those areas. We have set robust 10-year goals to be achieved in each area, and we regularly measure and report on results. Check out our latest scorecards at www.unitedwaydallas.org/scorecard.

Today's UWMD is also a thought and action leader and a "go-to" source for developing solutions to pervasive community challenges. Our digital campaigns are bringing greater awareness to and support for pressing community needs, such as childhood hunger. Our growing focus on volunteer engagement is connecting individuals with critical issues. And our strategic partnerships with other organizations are compounding our impact in all of our focus areas.

Lead:

Giving Society members come from different backgrounds and different walks of life. They include longtime residents and those newer to the region. But all are united in their desire to invest in the future of North Texas. Giving Society members also have access to special opportunities and events. There's a United Way Giving Society that's right for you!

Tocqueville Society members collectively contribute \$10 million annually to bring hope, provide essential aid, and shape the future of the community. Members enjoy invitations to lectures and special events, including the Second Tuesday Luncheon series and Gratitude annual appreciation event.

Women of Tocqueville members are engaged in a broad range of initiatives, from volunteering as youth mentors to traveling to Washington D.C. to lobby Congress for improved child care standards. Members also enjoy other educational and networking opportunities with like-minded philanthropists.

Builders Society is perfect for those building their careers as well as their networks. Membership provides invitations to lectures and special events and exclusive opportunities to meet other community leaders on a similar path.

Leadership Society members provide essential support for United Way's work in education, income and health. Members enjoy invitations to special events, volunteer projects and opportunities to expand their professional and civic network.

The **Young Leaders Society** harnesses the power of those 35 and younger to make a difference. Members connect to their communities and each other through networking events and volunteer projects.

No compensation, goods or services have been given to the donor in return for their contribution. Any unused funds from gifts directed to United Way focus areas may be used at the discretion of United Way of Metropolitan Dallas. Gifts designated to individual service providers are assessed fundraising and management/general fees, based on actual historical costs in accordance with United Way Worldwide membership standards. Designations may not be paid to an agency that is not in good standing with the IRS, non-compliant with the Patriot Act, or not within the policy of United Way of Metropolitan Dallas (no designations to places of worship, universities and alumni associations). Once a designation is identified as non-compliant, United Way of Metropolitan Dallas will notify the donor by e-mail or letter that a donation designation may not be processed. If the donor does not respond within three weeks, that donation will be treated as undesignated.

Important tax information: Gifts made to United Way are tax deductible within the limits of current law. Please keep your copy of this pledge form along with your year-end pay stub for payroll deduction gifts or cancelled check for gifts under \$250. It will serve as a record of your donation to meet IRS regulation. Any one-time gift over \$250 received by December 31, 2017, will receive a receipt from United Way. You may request a receipt for one-time gifts less than \$250 by sending an email to TaxReceipts@unitedwaydallas.org. **United Way respects your privacy.
