NOTE: All courses offered as a part of the dual credit program in Plano ISD are a part of the Texas General Education Core Curriculum. All post-secondary public institutions in Texas are required to award credit for these courses. However, there is never a guarantee that a course will be granted credit as part of a particular major or course of study. There is no guarantee that credit will be awarded by private colleges or colleges outside the state of Texas. The same considerations apply for students scoring a 3 or higher on an AP exam or 4 or higher on an IB exam. Students and parents are encouraged to consult with the individual college and specific department of interest to best understand how these credits will apply.
