# Title I Parent and Family Engagement Policy

## **Sigler Mission Statement:**

Sigler Elementary School's mission statement is: "We will empower each student to activate their potential by being emotionally, socially, and academically prepared for their future."

## **General Expectations:**

Sigler believes that student academic achievement required the following;

- An understanding of curriculum;
- Grade level standards;
- Assessments;
- District/school policies and procedures.

Sigler partners with district staff, families, and the community to strengthen student growth. Sigler is committed to providing assistance to at-risk students. It agrees to implement the following requirements:

- With the help of parents, provide programs, activities and encourage the involvement of parents in all schools with Title I, Part A programs.
- Work with schools to make sure the required school-level parent involvement policies meet federal requirements, including a school-parent compact.
- Sigler will provide opportunities for participation of parents with limited English ability; economic disadvantages; disabilities; limited literacy skills; any racial or ethnic background, or are migratory families.
- Information and school reports are provided in an understandable layout and, when practical, in a language parents understand.

## **Implementation of School Parent Involvement Components:**

*Sigler Elementary School shall work in partnership with parents and guardians and shall actively support the schools and parents to increase parent involvement by:*

- Respecting parents as partners in the education of their children. Parents are included in *policy decisions* and the development, evaluation, and review of the district parent involvement policy and Title I Program. The district policy is reviewed every year, discussed at the Federal Programs Parent Involvement Committee meeting, and posted on the Title I website. <http://www.pisd.edu/parents/title1/index.shtml> Grade level goals and the state testing schedule are provided to parents. Students needing extra assistance are invited to participate in programs that support academic success.
- Encouraging a welcoming and supportive environment for parents. Sigler has at least one counselor who supports both student and family needs. Office staff are expected to be welcoming and sensitive to the needs of all parents. Beginning and ending year surveys are available for campus and district use to identify needs and monitor progress of program goals.

- Coordinating efforts and technical assistance to meet the needs of parents through various campus programs. Examples include after school tutorials, Community Outreach program (mobile computer classroom for parents); campus level parenting programs, adult ESL and literacy programs, etc.
- Valuing the need for partnerships between Sigler and the community. Sigler actively seeks resources to support academic and parent programs at our campus and our Community Outreach Program.
- Establishing and promoting two-way communication as a source of trust and understanding between the school and parents. This is accomplished through parent-teacher meetings, parent-principal meetings, e-mail, campus/grade level/classroom newsletters, campus and district web pages, phone calls, parent meetings, etc. Information and school reports are provided in an understandable layout, and when practical, in a language parents understand.

*Parents/Guardians are asked and encouraged to be involved in their children's learning and education by:*

- Participating in training opportunities including strategies to reinforce learning at home, discipline, and understanding cultural differences. Love & Logic training, parenting classes, ESL classes for adults, math/reading/science family nights, computer literacy help to empower parents, and improve student academic achievement.
- Participating in site-based leadership and decision-making through the District Parent Involvement Federal Programs Committee, PTA and district/campus Site Based Improvement Committee.
- Volunteering in their children's schools through mentoring programs, field trips, classroom support, etc.
- Supporting partnerships within the community through participation in programs such as local area restaurant fund raising, faith-based organizations, student banking, business partnerships, Plano Police Department, etc.
