

# Precalculus Tutoring - Fall 2017

**Come early!  
Come often!**

\*\*\* Precal Tutoring is cancelled when it falls on the day of the test

|                  | 7:30–8:00<br>(early) | 8:15–8:45<br>(0 hour) | 12:00–12:30<br>(A lunch) | 12:45–1:15<br>(B lunch) | 3:30–4:00<br>(7th per) | 4:15–4:45<br>(after school) |
|------------------|----------------------|-----------------------|--------------------------|-------------------------|------------------------|-----------------------------|
| <b>Monday</b>    | x                    | x                     | Math Lab B153a           | Math Lab B205a          | x                      | <b>Barron B256</b>          |
| <b>Tuesday</b>   | x                    | <b>Gulam B153b</b>    | <b>Kowalski B149b</b>    | <b>Harris B153a</b>     | <b>Martinez B149a</b>  | x                           |
| <b>Wednesday</b> | x                    | x                     | Math Lab B153a           | Math Lab B205a          | x                      | x                           |
| <b>Thursday</b>  | <b>Blois B205a</b>   | x                     | Math Lab B153a           | Math Lab B205a          | x                      | <b>Doyle B151a</b>          |
| <b>Friday</b>    | x                    | x                     | Math Lab B153a           | Math Lab B205a          | x                      | x                           |

## Math Lab Procedures:

Available every day during both lunches

Prior to attending math lab, please review your class notes and try problems on your own.

Have specific questions for the math lab tutors.
