

Within the requirements of the 26 credits to earn an endorsement, a student must complete one of the concentration options below to meet the public services endorsement criteria.

A Career and Technical Education (CTE)

A coherent sequence of courses for four or more credits in CTE that includes

- At least two courses in the same CTE career cluster from **Table 1**, and
- At least one **advanced** CTE course from Table 1 (designated with **A**), and
- The final course from one of the CTE career clusters listed in **Table 2**

Note: Select a sequence of CTE courses that total 4 or more credits and meet the criteria above. The total number of courses is not a factor.

Table 1

Education & Training		Hospitality & Tourism	
Instructional Practices A 11-12	2	Principles of Hospitality & Tourism 9-10	1

Lifetime Nutrition & Wellness A 10-12	.5		
Child Development A 11-12	1		

A - Advanced **Science Credit** **Math Credit** **Meets Health Graduation Requirements**

Four courses in Junior Reserve Officer Training Corps

It is the policy of Plano ISD not to discriminate on the basis of race, color, national origin, gender, or handicap in its programs, services, or activities, including vocational programs. Lack of English language skills will not be a barrier to admission and participation in all educational and vocational programs. Plano ISD will take steps to ensure cost will not prevent access to programs.

All courses may not be offered on every campus. Check with campus counseling department for more information.
