Click the checkmark on a scholarship you have or will apply to and then choose **Add to My Applications**.

Scholarship Match

Below are scholarships with requirements that may be a suitable match for you according to the information that your school has entered about each scholarship. If a scholarship is listed as "no restrictions found", this means that your school did not enter any qualifications for the scholarship that would indicate you are ineligible such as gender, ethnicity, minimum gpa, etc. Some scholarships on this list may still have special requirements that are not listed on this site and you should verify your eligibility with the scholarship organization or your counselor if uncertain.
