ABOUT OUR COMMUNITY AND DISTRICT

Plano is a large and diverse suburban community of approximately 289,000 residents located just north of Dallas, TX. The Plano Independent School District serves over 48,000 students on 73 campuses.

ABOUT OUR SCHOOL

Since 1891, Plano Senior High School has provided rigorous and innovative programs to meet the needs of our highly diverse community. We are an 11th and 12th grade campus with a total enrollment of approximately 2,300 students. Along with our 9th and 10th grade feeder campuses, PSHS is classified as a Texas UIL 6A school. Plano Senior High School offers a variety of courses in all academic areas in an environment that promotes college and career readiness. Honors, Advanced Placement, Dual Credit and Career and Technical courses are open to all interested students.

CLASS RANK and GRADE POINT AVERAGE

Class rank is only reported for students in the top 10% of the class. All other students will have their cumulative grade point average reported without a class rank. To make this determination, Plano ISD uses two grade point average calculations:

Cumulative GPA:

- Summary of semester grades for all classes taken in high school as well as high school credit(s) earned in middle school
- Not used to determine class rank
- Reported on the transcript for all students

Ranking GPA & Class Rank

- Designated core courses in the subject areas of English, Math, Science, and Social Studies are included in the ranking GPA calculation
- Internally calculated for the purpose of determining class rank
- Only reported on the transcript for students in the top 10% of the graduating class
