

Grandparents Raising Grandchildren

In a growing number of homes, older singles and couples are parenting their grandchildren when the parents are unable to fulfill that role. While the reasons to step in to this role are varied, the challenges for grandparents are universal. Financial and emotional turmoil can result, with both generations feeling needs that are difficult to meet. Join others who have accepted this awesome responsibility, and learn ways to cope and even flourish under extreme circumstances.

Mondays: 5:00 - 6:30 p.m.
