Dear Family of _____

This is an exciting time as your 10th grade student plans for his/her Plano West experience. The Plano West counselors met with sophomores through their Social Studies classes in mid-January to review courses for 11th grade.

Jasper counselors will hold individual 10th grade academic conferences throughout the months of February, March and April. You and your student should come prepared to discuss:

- Graduation requirements and endorsements
- Testing information
- Post high school planning
- Career goals
- Please complete the "11th Grade Course Requests" box on the right side of this page prior to the conference (Plano West 11th grade courses are listed on the back of this page)
- Please complete the "Academic Readiness Questionnaire" box at the bottom of this page prior to the conference, a copy of the questionnaire can be found on the Jasper website under the counseling tab titled "Academic Conferences".

Due to the great number of conferences needed to meet with each individual student and his/her family, the Counseling Team will be unable to reschedule this appointment date and time. If you are not able to attend, we will still meet with your student at the scheduled time.

We look forward to working with you and your student,

Toby Schulte
