## Classroom Expectations:

1. Respect Yourself & Others
2. Maintain Academic Integrity
3. Engage in the learning process
4. Be on time and prepared!
5. Never be afraid to ask questions ...and Have Fun!

## Absent/ Missing Work

Students are responsible for missing work. Assignments can be found on Google Classroom

**Grading**

40% Daily Work

60% Assessments

## Test/Quiz Correction Policy

Students can complete a reteach in Tutorials on a quiz with a grade less than 100%. The score will change only after students complete the unit test. The unit Test will replace their quiz grade.

Ex) 80% on the quiz -> Quiz reteach -> few weeks -> 85% on Unit Test  
So now your Quiz grade is an 85% too!

...But **ONLY** if you do the Reteach & Tutorial!

**Test Corrections:** Students must complete a test correction activity in tutorials on a test they have scored less than a 70% on. If students show mastery with full work students can earn half credit back up to a 70%
