

How Students Will Join Teachers' Google Classrooms

Students will go to [Webdesk](#) and open the My Backpack application.

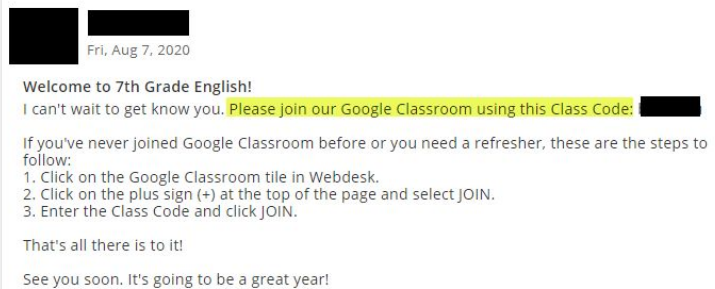

Click on any class tile.

Read the teacher's announcement to find the Class Join Code.

(Note: You will need to use this code soon. Either copy it to your clipboard or write it on a piece of paper.)

Go back to Webdesk's My Apps page and open Google Classroom by clicking on the tile.

Click on the plus sign (+) and select Join Class.

Enter the code provided by your teacher in My Backpack. Click Join.

That's all there is to it.
