

AP Exam Payment Information for 2020-21

Payment Deadline - October 23, 2020

The College Board administers the AP program and developed new policies for exam ordering last school year. Plano ISD is required to honor College Board procedures in order to participate in the AP program. Exam ordering has two parts: students must add a join code for each AP class **AND** pay all exam fees by the specific deadlines.

- Students will create accounts in AP classes at the beginning of the year in order to access course-related resources and enter identification information required for exam ordering. Additionally, students must add the join codes in any course in which they are currently enrolled.
- Yearlong and fall semester AP course join code & exam fee deadline is **October 23, 2020**.
- Spring one-semester course exam fees should be paid at the start of the spring semester. The deadline for those exam fees is February 19, 2021.
- Students who wish to take an AP exam for any course(s) in which they are not currently enrolled must contact Mrs. Randecker in counseling for an “exam only” join code and pay the exam fee by the **October 23, 2020 deadline**. This includes spring one-semester AP courses like AP Physics 2, AP Physics C Electricity & Magnetism and AP Micro Economics. All “exam-only” exam fees must be paid by October 23, 2020. If a student is taking these courses at PWSH in spring 2021, exam fees and join codes must be added/paid by February 19, 2021.
- AP exam fees and payment:
 - \$95.00 per exam online via Rycor
 - \$10.00 per exam for students on free or reduced lunch online via Rycor
 - Families must set up a Rycor account if they’ve not already done so this year

<https://www.studentquickpay.com/PISD/>
- **Students who register after the posted deadlines will incur an additional \$40.00 fee per exam according to the College Board fee schedule.**
