

JUNIOR ACADEMIC CONFERENCE PLANNING WORKSHEET

Please use the worksheet below to plan your courses for next year. Planning in advance of your conference will maximize the time that you have with your counselor during the actual conference. A short description of all courses and graduation requirements can be found at <http://www.pisd.edu> in the on-line curriculum guide. A listing of courses offered on the PSHS campus is located on the reverse side of this sheet. Please remember that some courses require an application, recommendation, audition, or tryout. You will need to put an alternate course on the schedule until you are approved for one of these courses. Be sure to indicate the level of course desired, if applicable (i.e., honors, AP).

I would like to select the following courses as **alternate choices (REQUIRED)**:

START TIME: I would like to begin my school day at ____ 8:00 am ____ 9:00 am.

I understand an 8:00am start time is only a request, I must have my own transportation to school, and that an 8:00 am start is not guaranteed.
