

## 2023 Plano ISD Teacher of the Year Gala

Dear Community Partner:

The Plano ISD Teacher of the Year Gala is the largest and most prestigious teacher recognition event in the Plano Independent School District. More than 1,100 parents, educators and community members support the district as we honor and celebrate our outstanding teachers. It is at this annual event that we announce the Plano ISD Elementary and Secondary Teachers of the Year.

We invite you to play an important role in our celebration of more than 70 outstanding teachers on May 11, 2023, at Plano Event Center. We are seeking your support as a table sponsor or attendee, or via a donation to this special event. Thanks to generous community partners like you, we have been able to reward top Plano ISD teachers for more than 40 years.

Enclosed is a donation contract. For more information on the event, please visit [pisd.edu/TOTY](http://pisd.edu/TOTY). We truly appreciate your generosity and thank you for your help in honoring our teachers in a meaningful way. Your gift will be recognized in our gala program, district publications, the district website and social media. Quality education is one of the major assets of our community, and we hope that you will join with us in recognizing the outstanding teachers who make such a difference in the lives of our students.

Sincerely yours,

Dr. Theresa Williams, Superintendent of Schools
