

2022 Plano ISD Teacher of the Year Gala

Dear Community Partner:

The largest and most prestigious teacher recognition event in the Plano Independent School District is the Teacher of the Year Gala. More than 1,100 parents, teachers and community members support the district as we honor and celebrate our outstanding teachers. It is at this annual event that we announce the Plano ISD Elementary and Secondary Teachers of the Year.

We invite you to play an important role in our celebration on May 12, 2022, at Plano Event Center. We are seeking your support with your presence or a donation to this special event celebrating Plano ISD's very best teachers. Because of community partners like you, we are able to generously reward more than 70 top teachers.

For more information on the event, please visit pisd.edu/TOTY. Donation contracts are also available online. We appreciate your generosity and thank you for your help in honoring our teachers in a meaningful way. Your gift will be recognized in our gala program and district publications and website. Quality education is one of the major assets of our community, and we hope that you will join us in recognizing the outstanding teachers who make such a difference in the lives of our students.

Sincerely yours,

Sara M. Bonser
