

Plano ISD Education Foundation Annual Report

2021-2022

Helping all students in the Plano Independent School District achieve their full potential by providing financial support to educators and academic programs.

About our Mission

The Plano ISD Education Foundation is a 501(c)(3) nonprofit organization with a mission to help all students in the Plano Independent School District achieve their full potential by providing financial support to educators and academic programs.

The Foundation's commitment to supporting quality education for Plano ISD students remains strong. We continue to identify and fund needed programs and work to increase community and corporate involvement in support of our schools. Foundation programs, like Grants to Educators, are supported by SKI Plano and other annual fundraisers. Our CORE Store provides teachers with free donated supplies. In 2021-2022 the Foundation partnered with 40+ businesses and organizations in the North Texas region to benefit students and academic programs.

The Board of Directors consists of business and community leaders who recognize the importance of excellent public schools to the Plano community. The support generated by the Plano ISD Education Foundation ensures Plano ISD remains one of the best public school districts in the nation.

Since 1993, the Foundation has generated over \$22 million in private support for priority projects for which tax dollars are not available.

Tarrah Lantz, Plano ISD Council of PTAs President
Jeri Chambers, Plano ISD Board of Trustees

From the President

As the 2021-22 Plano ISD Education Foundation Board President, I am proud

to present this annual report. The Foundation board and our many community partners stepped up to support Plano ISD during another challenging year that began with COVID-19 pandemic restrictions. The Foundation was able to raise over \$1.4 million dollars this school year to help fund important programs and initiatives that benefit the students, staff and families of Plano. As board president, I'd like to give a special thank you to our top donors. Thank you to Toyota of North America as presenting sponsor and Park Place Lexus, HEB and the CoServ Charitable Foundation for their sponsorship of Grants to Educators. Grants to Educators annually provides grants to teachers for innovative projects not supported by tax dollars and enriches the educational experience of our district's over 40K students. Every teacher in the district has the opportunity to apply for a grant. Seeing these teachers receive their grants surrounded by their students is truly inspiring.

A big thank you to Ewing Buick-GMC the 2022 SKI Plano "Top of the Mountain" presenting sponsor and to Abernathy Roeder Boyd Hullett the Copper Mountain sponsor. And, we are grateful to our Crested Butte Sponsors HEB, InTouch Credit Union, Perdue Brandon Fielder Collins & Mott LLP, as well as Tamela and Charles Miller, and thank you to the many other corporations and individuals who supported his fundraiser.

The Foundation is fortunate to have many community businesses and individuals who support the district annually. This year's Staging the Future Endowment program for the new Robinson Fine Arts Center was a major Foundation initiative. The endowment was kicked off with a \$500,000 donation from the Robbie and Lynore Robinson Trust, and enjoys much community support. The Foundation is thankful for the support of our donors who help make Plano ISD a stellar community in which to live, work and learn.

Jeff Beckley

Board President

Plano ISD Education Foundation

[1.4 Million Raised in 2021-22](#)

Programs Supported

By raising funds through tax-deductible contributions, the Plano ISD Education Foundation has a continuing history of assisting Plano schools through development of partnerships with our vibrant coalition of community, educators and local corporations. These funds support the district's academic programs to achieve excellence in science and math, help to bridge the gap for economically disadvantaged students and families, help to provide educator grants to create innovative teaching programs and more. Information about Foundation partnership opportunities can be found at www.pisd.edu/foundationprograms.

18 Programs Supported

Partner with Us

Funding provided by the Plano ISD Education Foundation supports differentiated and elevated programs and curricula that are not required by the state, nor funded by tax dollars.

These programs support Plano ISD's five strategic pillars by providing unique opportunities to help students find their passion and purpose, as well as help them prepare for and significantly impact their futures.

Plano ISD strives to do more than the status quo. As part of the Plano community, Plano ISD responds to the needs within the workforce and shapes the learning experience at every stage of their students' education. Plano ISD graduates are prepared for the jobs of tomorrow.

Learn more about giving opportunities and partnership on our website at pisd.edu/foundation.

The Staging the Future endowment for the new Robinson Fine Arts Center and the opening of our Welcome and Enrollment Center are two of the many opportunities to make a difference to the students and staff of Plano ISD.
