

iStation – Student login

After downloading the App from the App Depot, students will locate the App in the Classroom Tools folder in PISD Apps. The program is listed as **The Imagination Station** (not as iStation)

Student User Name is tx, followed by his/her student ID#. The password is the student's ID#.

The student will select **Reading with ISIP**. At that point, the student is taken to the initial assessment and will be guided through the program.
