- Strong organizational, communication (verbal and written), and interpersonal skills

**Experience:**

- Minimum three (3) years teaching (or other school-based) experience with students with special needs (other relevant experience working directly with children with significant behavior challenges may be allowed to substitute for school-based experience)
- Previous experience working with students who display significant challenging behaviors
**Job Title:** Behavior Instructional Specialist

**Major Responsibilities and Duties:**

Assume responsibility for the organization and operation of work within the area of supporting students and staff working with special education students following federal program guidelines as directed by the district and as specified in 34 Code of Federal Regulations §300.208 (a)(1)

Provide campus consultation support through coaching/modeling or providing training (district or campus-based) to support the implementation of classroom quality indicator components (for example, developing classroom schedules, creating materials, developing procedures/expectations, reinforcement systems, etc.) for campus staff who work with students with special needs in the areas of social/emotional functioning, academics, communication, and/or behavior

Collaborate with the Special Education Leadership Team, Curriculum Coordinators, and campus staff regarding implementation of evidence-based strategies

Support consultees in the development and implementation of FBA/BIPs for students with behavioral needs

Monitor compliance with district proficiency standards and indicators

Provide support for campus staff regarding instruction of students with special needs

Collaborate with consultees to help them identify and implement evidence-based communication, social, emotional, and behavior programming

Review student’s Full Individual Evaluation (FIE), Functional Behavior Assessment (FBA), or other assessment information and use the results to help consultee teachers develop accommodations/modifications, Behavior Intervention Plans (BIP), and Student Safety Plans

Obtain and maintain Crisis Prevention Institute (CPI) Texas Behavior Support Initiative (TBSI) training and coach/model to build the campus Core Team’s capacity for responding to crisis situations and maintaining safety

Participate in after school debriefing as post-vention following significant crisis events or as part of weekly team meetings when supporting centralized district classrooms

Help campuses effectively implement educational programming in the least restrictive environment for students with disabilities through a well-defined system of universal, targeted, and individualized behavioral programming

Collaborate with campus staff to enhance their skills in the collection, maintenance, graphing, and analysis of students’ academic and behavior data in order to monitor and evaluate student progress, intervention effectiveness, or other necessary progress documentation

Collaborate with consultees and other program related services providers to develop IEP’s, FBA’s, behavior intervention plans, Student Safety Plans, and support implementation of evidence-based social, emotional, and behavior interventions (in some select cases BIS staff may take primary responsibility for conducting a Functional Behavior Analysis to assist with the development of functionally-based intervention plans)

Collaborate with consultees to ensure interventions from the student’s Behavior Intervention Plan, Student Safety Plan, or universal program procedures are implemented with fidelity

Promote professional improvement through reading educational journals and books, exploring educational research, participating in staff development activities, and membership in professional organizations
Job Title: Behavior Instructional Specialist

Collaborate with other members of the BIS team to provide support beyond each person’s assigned campuses to meet the needs of campuses and students district-wide.

Work with parents and outside services providers to develop interventions plans to meet the students’ social, emotional, communication, and behavior needs across environments

Collaborate with campus staff to support students moving to centralized placements

Demonstrate behavior that is professional, ethical, and responsible and serve as a role model for district staff

Follow attendance policy as assigned by supervisor

Follow rules, regulations, and policies of Plano ISD and follow directives from supervisor

Perform other functions that may be assigned by the Administration and/or supervisor

Supervisory Responsibilities:
