

# Fine Arts & Academic Facilities Needs

Bond Recommendations  
October, 2015

I

# Overview:

HS Art Needs

MS Music Needs

HS Theatre Storage

Stage Improvements

Dance Floors

# HS Art Goal

- Two 2D classrooms (1500 sft)
  - 4 Sinks (1 ADA)
  - Lateral Files for prints
  - Portfolio Slots for 2D work
- One 3D classroom (1600 sft)
  - 4 Sinks w/ clay traps (1 ADA)
  - Lateral Files for prints
  - Open Shelving for 3D work
- Dedicated storage for consumable & flammable supplies connected to each room (170 sft)
- Dedicated kiln room w/ 2 kilns (260 sft)
- Public Display area(s) for student work

# Jasper HS Art

- Two undersized art rooms (975 sft)
- Small storage (75 sft)

# Jasper Kiln Room

Small kiln room (214 sft)

Wooden shelving needs to be replaced with metal shelving.

# Jasper HS - 3rd Art Room

- Reclaimed CTE space (1250 sft)
- Needs removal/renovation of classroom & storage room cabinetry to support the art program properly

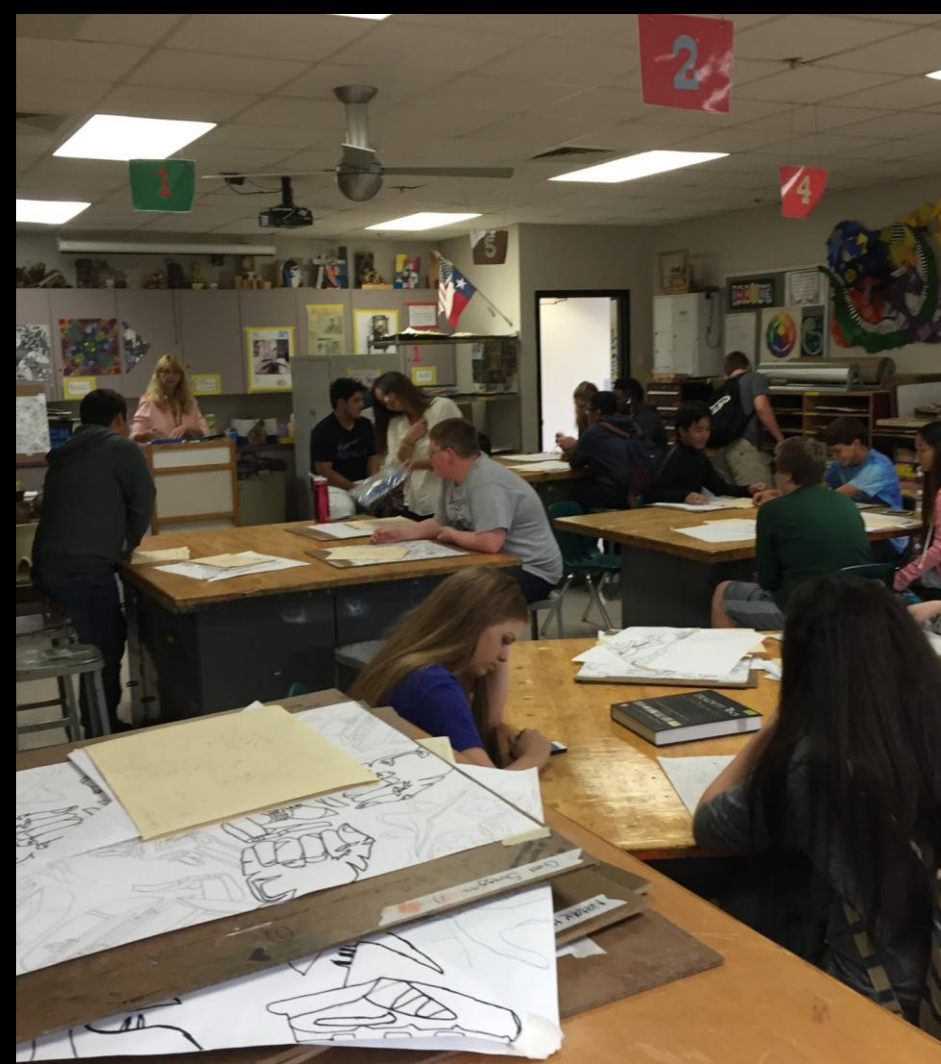

# Vines ART

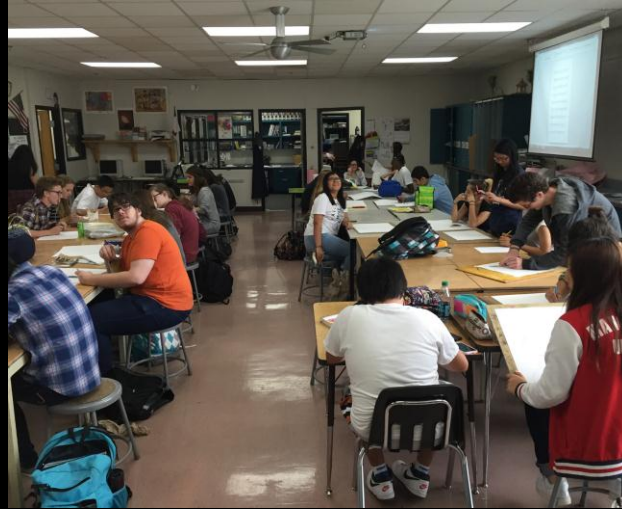

Undersized Rms (1160-  
1190 sft)

1 Storage area (275 sft)

Make-shift sinks

# Vines HS - 3rd Art Room

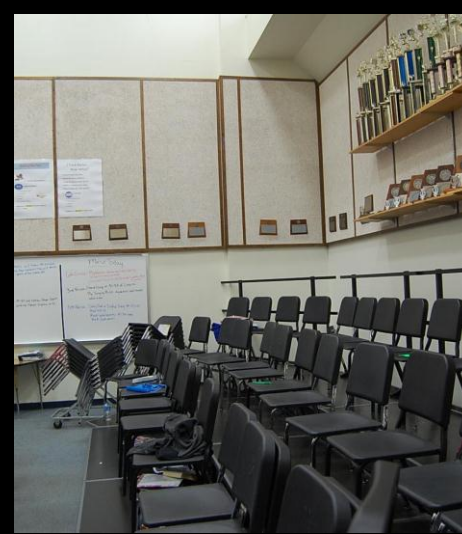

- Undersized (1160 sft)
- Down a long hall from other rooms
- No adjacent storage

# MS Music Goal

- Band Rm - 2600 sq ft
  - General Storage (150)
  - Percussion Storage (200)
  - Music Library (100)
- Orchestra Rm - 1600 sq ft
  - General Storage (150)
  - Music Library (100)
- Choir Rm - 1200 sq ft
  - General Storage (150)
  - Music Library (100)
- 2 Ensemble Rms - 900 sq ft
- 10-12 practice rooms

# Armstrong

Band – 2175 sq ft

Orchestra – 1250 sq ft

Choir – 895 sq ft

Ensemble – 500 sq ft (1)

Practice Rooms - 6

# Armstrong Music

- Shared Library (120)
- Band Storage (157)
- No Percussion Storage
- No dedicated Choir or Orchestra Storage
- Practice Rm - 6

# Renner, Rice, Frankford

Band – 2100 sq ft

Orchestra – 1400 sq ft

Choir – 1340 sq ft

Ensemble - 590 sq ft (1)

Practice - 7

Stage used for lessons/storage

## Shared Library

Limited storage causing clutter in rooms and stages

# Practice Room Needs

- Current average is 7 (goal is 10-12)
- Total music enrollment exceeds 700 at these campuses

# HS Theatre Goal

Theatre Classroom (950 sq ft)

Costume Storage (150 sq ft)

General Storage (150 sq ft)

Scene Shop (800 sq ft)

Currently no Prop Storage

Performance space is a cafetorium  
stage w/ limited wing space, no fly  
space

# HS Prop Storage

Currently on stage, wings, closets, etc  
Props are often given/thrown away after productions  
Recommend 1000 sq ft near backstage entrance

# HS Stage Lighting

Currently in fixed locations at Jasper, Williams & McMillen. Must be focused & bulbs changed by facilities - no opportunity for teaching tech students.

# PESH Stage Improvements

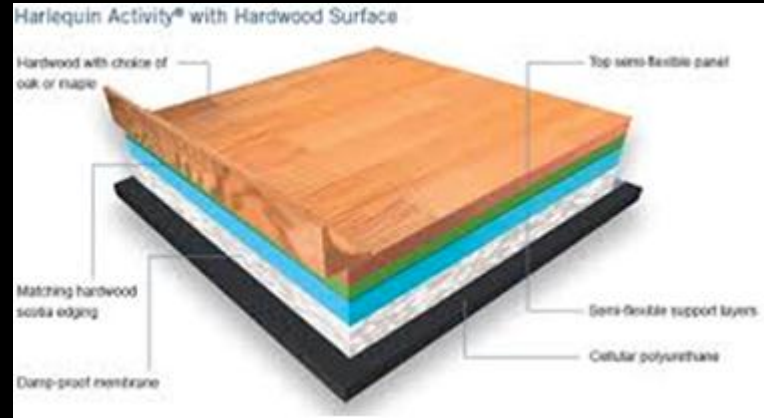

Currently has only one proper lighting position - needs a second.

Replacement of Loft Blocks in the fly system required to ensure safety.

# Sprung Dance Floors

Replacement of current VCT tile in HS/SH Dance rooms with a proper sprung floor.  
Improved flexibility and safety for students and staff in these programs.

# Why Sprung Dance Floors?

- Our students and dance teachers currently dance on tile/concrete floor - teachers dance on these floors all day.
- Dancing on hard surfaces can lead to injury and end a dancer's career.
- A safe dance floor will eliminate/prevent injuries for both students and teachers.
- A proper, sprung floor absorbs the shock of the movement when dancer's feet hit the floor dissipating the force into the floor.
- With Dance being one of the Fine Arts Concentrations under the Arts and Humanities Graduation Endorsement, we expect the program to continue to grow.
- Surrounding districts, including Allen, Frisco, McKinney and Richardson, all have wood floors in their dance rooms.

# I Summary of Requests:

- HS Art Renovations - \$6,320,000
- MS Music Additions/Renovations - \$18,100,000
- HS Theatre Storage - \$430,000
- HS/SH Stage Improvements - \$60,000
- HS/SH Dance Floors - \$840,000

Total - \$25,750,000
