Dear PPA Scholarship Committee:

It is my pleasure to recommend Jessica Williams for the PPA paraprofessional scholarship. Ms. Williams is a paraprofessional for in a 4-year-old integrated classroom. She works with students with and without special needs.

Ms. Williams came to me in the summer and applied for a position with the clear expectation that she was almost finished with her certifications to teach. She has made a significant impact on students already this year! She knows how to implement visual cues, token boards and schedules which decrease student behavior and increase student engagement in the classroom.

Recently, Instructional Support personnel came to the class to observe a student that Ms. Williams; works directly with in the classroom. The ISS personnel asked Ms. Williams to send her all her information so she would be sure she got a teaching position once she finished her certification!

She is a highly motivated team player! She is organized, enthusiastic, and a goal-oriented worker. She is able to follow directions as well as initiate and problem solve as needed. Ms. Williams has proven that it is her passion to becoming a teacher. She is a great candidate for the PPA paraprofessional scholarship to help her achieve her goal of becoming an educator!

Sincerely,

Cheri Izbicki, Ed.D.
