

# Getting Started with Course Planning

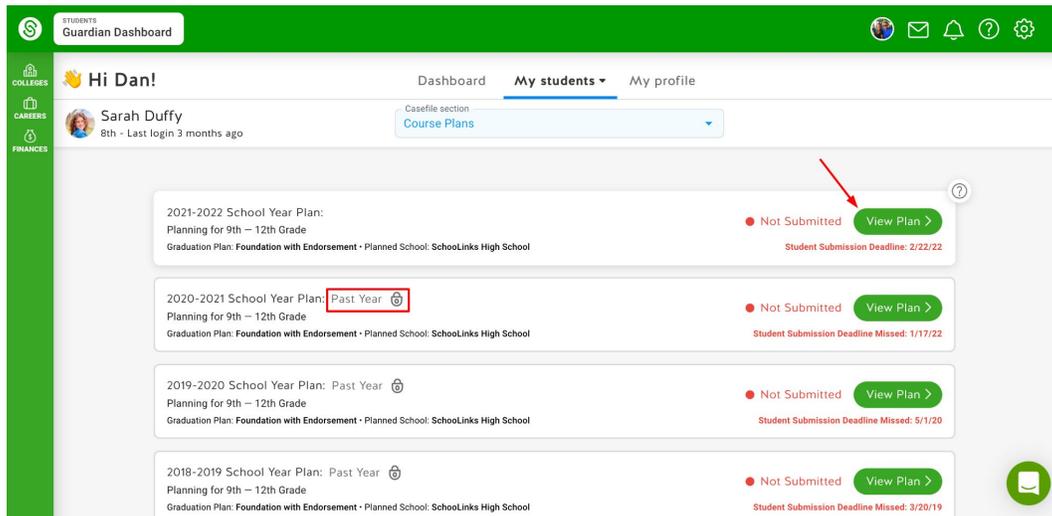

1. To access the Course Planner, go to **My Students** and select your student

2. On your student's page, click on the **Casefile Sections** dropdown and choose **Course Plans**.

- Once you've clicked on Course Plan, you will click View Plan on the Current School Year Plan. Note that Past Year plans cannot be edited and should only be used as a reference.

- From here, you can look over the course plan for your student.
