

Get Ready for the PSAT

Testing is October 4th

[SATSUITE.COLLEGEBOARD.ORG](https://satsuite.collegeboard.org)

It's digital this year!

The PSAT is now digital, so make sure you **bring your fully charged Plano ISD Chromebook and your charging cord.**

Watch a [PSAT video](#) to know what to expect on test day.

Why PSAT?

The PSAT is a practice test for the SAT which you will take your junior year. You can see where you are in terms of college readiness and identify skills you want to improve.

The higher the SAT score, the more opportunities a student has after graduation.

Practice Makes Progress

With Khan Academy Official SAT Practice, you can get a personalized study plan to help you increase your score.
