

Informar sobre becas en SchooLinks

La Clase de 2025 del ISD de Plano deberá informar todas las becas que hayan recibido en la plataforma SchooLinks. Esta información es crucial, ya que se utilizará para varios propósitos, incluyendo el reconocimiento de los estudiantes durante las ceremonias de premiación del campus. Además, los importes totales de las becas comunicados en SchooLinks se agregarán para determinar el total de becas concedidas a cada campus. Esto ayuda al distrito a realizar un seguimiento de los logros de sus estudiantes y pone de relieve el apoyo financiero que los estudiantes han ganado. Al informar de todos los importes de las becas, los estudiantes se aseguran de que sus logros se reflejen con precisión y se tengan en cuenta durante los eventos y ceremonias.

Vea aquí un vídeo con los pasos a segui.

Para acceder al área en la que introducirá sus becas, inicie sesión en SchooLinks desde su escritorio web. Haga clic en Finanzas en la barra de navegación lateral y, a continuación, seleccione Financiación universitaria.
