

Plano Independent School District

Memorial Elementary

2020-2021

Accountability Rating: Not Rated: Declared State of Disaster

Board Approval Date: October 20, 2020

Mission Statement

Memorial Elementary will empower students to become successful, global, lifelong learners in a supportive, safe, and culturally responsive environment.

Vision

Memorial Elementary will model grit, growth mindset, caring, collaboration, excellence in learning, and hope.

Comprehensive Needs Assessment

Revised/Approved: September 23, 2020

Demographics

Demographics Summary

Memorial CNA Demographic CNA

Whole staff activity

List the strengths you see in our demographic data:

Other Group: Overall, our attendance rate is in line with the District

Attendance for Hispanic students and economically disadvantages are higher than district and state averages.

- Smaller Class sizes :)

- Small dropout rate as a district

-Enrollment

Stable enrollment

By and large, all of our demographic groups are showing up regularly to school. Attendance does not seem to be a concern for our school.

Attendance is comparable/ higher than the district average.

Student/ teacher ratio for monolingual is good in 4th

Not a lot of mobility

Every demographic has high attendance rates.

Not a lot of mobility and there is growth across the school .

small class sizes, stable enrollment

Our total loss of students each year is minimal.

List the needs you see from looking at or demographic data. Please highlight what your team determines as the priority:

Other Group: We need to work on PK and Kinder attendance (Parent Education - school is important and there are attendance guidelines)

Fifth grade attendance and tardies.

- Attendance - lots of absences in kindergarten and pre-K (Low grade level attendance)

* Newcomers

Attendance

We see a need to bridge both the behavioral and academic gaps between what happens at home and what is expected at school. We also see a language barrier to be overcome with parent teacher communication.

Student/ teacher ratio in 4th bilingual and other grade levels is higher than we would like

Kindergarten attendance (maybe because its not required)

Parent education about the importance of kids being here

Attendance

Parents of younger students need to be communicated the importance of attendance .

improving attendance especially in kinder, parent education about importance of missed instruction

Attendance seems to be a problem. What is the highest category of excuse for absences? It may be beneficial to create incentives for students to prefer coming to school.

Transportation services for students within the 2 mile radius. Transportation may also impact students attendance.

Demographics Strengths

List the strengths you see in our demographic data:

Other Group: Overall, our attendance rate is in line with the District

Attendance for Hispanic students and economically disadvantages are higher than district and state averages.

- Smaller Class sizes :)

- Small dropout rate as a district

-Enrollment

Stable enrollment

By and large, all of our demographic groups are showing up regularly to school. Attendance does not seem to be a concern for our school.

Attendance is comparable/ higher than the district average.

Student/ teacher ratio for monolingual is good in 4th

Not a lot of mobility

Every demographic has high attendance rates.

Not a lot of mobility and there is growth across the school .

small class sizes, stable enrollment

Our total loss of students each year is minimal.

Problem Statements Identifying Demographics Needs

Problem Statement 1 (Prioritized): 30% of Bilingual and Monolingual students in K-2 are not reading on grade level. **Root Cause:** A systematic approach to effective reading groups and English language development is needed.

Problem Statement 2 (Prioritized): The percentage of all students performing at the Meets Grade Level Standard in all subjects is 38%. Gaps exist between the performance of At-Risk students (30%) compared to campus non At-Risk students (62%). **Root Cause:** A. There is a need to address English language development by analyzing prior year MAP, STAAR, and TELPAS data. B. There is a need to address effective instructional strategies during first instruction by analyzing prior year student performance using STAAR, MAP, and reading records. C. There is a need to address effective differentiation strategies by analyzing prior year RtI documentation.

Problem Statement 3 (Prioritized): There is a gap between the All student group Meets performance level on STAAR Reading (40%) and the Special Education (9%) and Economically Disadvantaged (31%) student groups.

Problem Statement 4 (Prioritized): There is a gap between the All student group Meets performance level on STAAR Math (40%) and the Special Education (11%) and Economically Disadvantaged (33%) student groups.

Problem Statement 5 (Prioritized): There is a gap between the All student group Meets performance level on STAAR Writing (33%) and the Special Education (10%) and Economically Disadvantaged (24%) student groups.

Problem Statement 6 (Prioritized): There is a gap between the All student group Meets performance level on STAAR Science (30%) and the English Learners (17%) and Economically Disadvantaged (27%) student groups.

Student Learning

Student Learning Summary

Memorial Goals Including HB3 Goals: (see tables in addendum): Individual goals are set for each student group with the expectation of high standards as well as to narrow the gap between each group and the All Students group. If the student group is below the All Students group, that student group's goal for 2024 is to narrow the performance gap by half as well as meet the overall percentage increase in the STAAR Meets Grade Level performance required for the All Students group.

Problem Statements Identifying Student Learning Needs

Problem Statement 1 (Prioritized): 30% of Bilingual and Monolingual students in K-2 are not reading on grade level. **Root Cause:** A systematic approach to effective reading groups and English language development is needed.

Problem Statement 2 (Prioritized): The percentage of all students performing at the Meets Grade Level Standard in all subjects is 38%. Gaps exist between the performance of At-Risk students (30%) compared to campus non At-Risk students (62%). **Root Cause:** A. There is a need to address English language development by analyzing prior year MAP, STAAR, and TELPAS data. B. There is a need to address effective instructional strategies during first instruction by analyzing prior year student performance using STAAR, MAP, and reading records. C. There is a need to address effective differentiation strategies by analyzing prior year RtI documentation.

School Processes & Programs

School Processes & Programs Summary

Memorial Campus Needs Assessment

Collaborative Team Framework

(5-29-19)

Question #1 - What do we want students to learn?

Evidence	Tighten Up	New Learning
1st Grade: Learning targets posted	Instructional Continuum	Edugence (running reports, Class by RIT, Learning Continuum, etc.)
Big Picture Calendar	Posting learning targets and referring back to them throughout the day	
Instructional Reading Level and what is needed to move on to next level	7 Steps to a Language Rich Environment (Strategies for Learning)	
Lesson Plans (evidence of prioritized TEKS, analyze verbs in TEKS)		
Kinder: Big Picture Plan (essential TEKS)	Better ways to teach and track sight words and reading levels	Lead4ward Resources (Field Guides)
Grade Level Posters	Interpreting Data	Interpreting Data
Data Posters - Essential TEKS identified	MAP - Resources to help students improve skills	
Rubric to identify what students need to learn by the end		
Assessment Schedule		
Evidence	Tighten Up	New Learning
Created uniform expectations between grade levels		
Learning Targets		
Team members come to Planning prepared with materials		
Created a master document that controls the whole unit (Modified Scope and Sequence)		
Understanding the ELPS & creating language objectives		

Question #1 - What do we want students to learn?

2nd Grade: Common Assessments

Unit Plans (big picture calendar allotting the amount of time the skill requires)

Analyze TEKS & Identify Focus TEKS

Analyze the Vertical Alignment

Analyze Historical Data & Assessment Data
(PreAssessments, Previous Assessments)

Review Field Guides (understand nouns and verbs), Student Common Mistakes

Determine what mastery looks like based on TEKS (using “Green Sheet”) - Exemplars posted in hallways and classrooms

Student progress documented BOY to EOY

Evidence

3rd Grade: Review historical data to determine gaps

Learning Targets

Analyze Lead4ward release information

Review Class by RIT

4th Grade: Big Pictures for each Unit

Historical data to determine needs

Scope & Sequence Change

Monolingual & Bilingual input

TEKS/Assessment provide feedback (comes to weekly planning)

Extended Planning Protocol

Lead4ward to determine frequently tested TEKS

Adjusted weekly planning based on assessments

Discussions about what mastery looks like

Design/designate a specific time to address what instruction will look like (strategies to address student needs)

Tighten Up

Customizing for PACE students (differentiating lessons for various student learners)

Looking at Class by RIT to differentiate and get growth on ALL children

New Learning

New TEKS

Question #1 - What do we want students to learn?

5th Grade: “Green Form” - TEKS Analysis

Review vertical alignment
 Review verbs and nouns within grade level TEKS
 Learning Targets
 Identify TEKS tested more frequently on STAAR
 What mastery looks like (end goal)
 Student ownership of learning targets
 Class by RIT
 Rubric Development
 Review historical data
 Developed a writing rubric to be used across content areas

Identifying essential TEKS to work on for the year & monitoring
 Collaborative Common Assessments (common grading practices)
 Enrichment Planning - how to push students farther
 Referring back to learning targets throughout the day (what does it look and sound like)
 Plan for enrichment
 Learning Targets

Analyze TEKS to identify the 1-2 essential TEKS for the year
 Leveled Questions Training
 Extended Learning
 Student ownership of learning targets

Question #2 - How will we know students are learning?

Evidence

1st Grade: Creating Grade Level Common Assessments
 Analysis of Common Assessments
 Creating Rubrics for Common Assessments
 Set Goal - Assessed - Analyzed Data
Kinder: Common Assessments in a prescribed timeframe (dates to assess and dates to interpret and plan interventions)
 Students can verbalize why they’re learning content
 Selected/use same formative assessments
 Data posters documenting measurable growth
 Using the data system for interventions
 Entering specific goals for RtI (tracking)

Tighten Up

Assessment Plan (Pre-Assessments, Specified Dates to Analyze Data, etc.)
 Refer back to TEKS during lesson
 Create a grade level tracking system; store and use it more efficiently

New Learning

Create Exemplars
 Tools within Envision especially for assessment
 More training in TELPAS

Question #2 - How will we know students are learning?

Used AMC sporadically

Evidence

2nd Grade:

Use an assessment calendar for common assessments

Analyze results

Data System to provide relevant and timely feedback

Informal assessments : weekly quick checks; varied assessments (Google Slides, parking lot, multiple choice, data folders)

3rd Grade: Entering data in Edugence

Created pre-assessments (open-ended vs. multiple choice to see student thinking)

Evidence

4th Grade: Articulating in advance expectations

Individual & Group Analysis of Assessments

NumberTalks (student conversations - reluctant speakers became less reluctant to share ideas)

Students utilizing writing strategies (rough draft, editing & final draft)

Edugence

Created open ended assessments

Use Strategies - change questions to open ended

Data Analysis plan sharing strategies being implemented

Find distractors - help students identify and break apart

Use AMC data and activities for intervention

Tighten Up

Inputing data in system in a timely manner so we can determine how to reassess

Timely Feedback

Progress Monitoring (RTI, Edugence, identifying Tier 2 students)

Common Assessments based on skills

Reflecting on common assessments

Frequent IRIs for students & data analysis

Students tracking progress

Tighten Up

Creating models to be displayed for students - Exemplars

Questions in Edugence didn't always align with STAAR

Using manipulatives more with students

Edugence Assessments (Genuine, Authentic Formative Assessments)

Data Posters in Common Areas - include students in creating exemplars & giving them voice

Clearly articulate target in advance - Model, guided practice, independent, gradual release

Multiple Assessment Types

Number Talks

Gallery walks between grade levels

New Learning

Creating assessments in Edugence

Common practices around exemplars

New Learning

Find new resources for exemplars

Student Recognition

Question #2 - How will we know students are learning?

Evidence	Tighten Up	New Learning
5th Grade: Incorporating writing rubric to be used across content areas	Common Grading Practices and Expectations (assignments are graded the same across the grade level) Assessment Planning Schedule (Quick Checks & Common Assessments) Using assessments in a different way	Student ownership of learning targets (charting their own data) Exemplars

Question 3 - How will we respond when students do not learn?

Question 4 - How will we enrich and extend students who are proficient?

Evidence	Tighten Up	New Learning
1st Grade: Flexible Grouping of Students (based on data) Research based instructional methods (i.e. - Touchphonics, TPRI Intervention, Esperanza) Lesson plans written by level & by skill Lesson plans and materials organized, prepared and ready Targeted small groups Leveled Stations Enrich & Extend: IRI Data	Enrich & Extend: More consistent integration of additional tools and resources in Math	Math Intervention Strategies AMC Training Components of Math Block & Instruction
Kinder: Interventions Flexible Grouping (based on Edugence)		Enrich & Extend: Research and integrated additional tools and resources in Math
Evidence	Tighten Up	New Learning
Targeted station work matching student needs 2nd Grade: 3rd Grade: Intervention Groups - Flexible Grouping	After reteaching a concept, recycle back to the content to be sure student understood	

Question 3 - How will we respond when students do not learn?

Question 4 - How will we enrich and extend students who are proficient?

Before & Afterschool Tutorials - additional support

Analyzed MAP Data (moving bottom 4 students to the next level)

4th Grade: Intervention Groups

Analyze MAP Growth Data

5th Grade:

Question #5 - How will we increase our instructional competence?

Evidence	Tighten Up	New Learning
-----------------	-------------------	---------------------

1st Grade:

Kinder:

2nd Grade:

3rd Grade: Team Reflection Time

4th Grade:

5th Grade:

Processes and Programs Campus Needs Assessment

What are our procedures, methods and practices?

Processes and Programs collectively describes the teaching, learning, resources, technology, processes, structures, decision-making, and overall leadership available to the organization.

Date: 5/6/19

Team Members: F. Mays, T. Young, M. Sucre, L. Sifonte, I. Curtis, S. Gonzalez, C. Sanchez, K. Hill, C. Pine, B. Gilbert

Directions: Using the questions and data listed below, please discuss and record “Summary of strengths” and “Summary of Needs.” Save the document to the “Memorial CNA 2019-2020” folder in Google.

Data Sources

Marzano HRS Level 1.3, 1.4 (will reflect on in teams), 1.5, 1.7 and 1.8

Master Schedule, Intervention Schedule (Intervention staff, ESL, Dyslexia, SEL, Guidance)

Questions to consider

1. What does the data reflect about classes, schedules, and student/staff teams?
2. What school conditions exist for learning including protecting instructional time?
 - Master schedule (Intervention and support)
 - Planning periods
 - Tutorings
 - Extended planning
 - Other
3. How does the master schedule support Tier I instruction?
4. Consider effectiveness of current master schedule to support quality of learning time and providing enrichment and acceleration.
How do teachers have a voice in decision making and school policies?
5. What systems are in place to build capacity and support the notion of continuous improvement?
6. How are we using data to determine professional development for staff? What types of professional development has staff attended?
7. How is implementation monitored? What impact has it had on performance? What is the follow-up?

8. How is technology utilized to support curriculum, instruction, and assessment integration and implementation?
9. How do teachers have a voice in decision making and school policies?
10. In what ways are teacher acknowledged for their contributions?
- 11.. What is the technology proficiency for staff and students? What types of technology professional development have we provided? What was the impact for staff and students?

Summary of Strengths:

- Extended planning is effective.
- Weekly planning is focused, purposeful, and intentional.
- Third grade tutoring is flexible and effective based on MAP data.

Summary of Needs (Prioritize):

- Consider when students are receiving Tier I instruction and leave for speech, intervention, etc.
- Consider if resource could occur during intervention time. Staggered intervention where pullouts occur at this time.
- Consider morning meetings where Monday through Thursday is class meetings where teacher guides and supports class with the intention of morning meeting and develop more connections in the class meeting. Friday could be a schoolwide morning meeting to bring the school together with the activities done in the classroom throughout the week. This will provide a schedule that can keep SEL strong in the classroom and Tier I instruction that has not been met with fidelity.

School Processes & Programs Strengths

Summary of Strengths:

- Extended planning is effective.
- Weekly planning is focused, purposeful, and intentional.

- Third grade tutoring is flexible and effective based on MAP data.

Problem Statements Identifying School Processes & Programs Needs

Problem Statement 1 (Prioritized): 30% of Bilingual and Monolingual students in K-2 are not reading on grade level. **Root Cause:** A systematic approach to effective reading groups and English language development is needed.

Problem Statement 2 (Prioritized): The percentage of all students performing at the Meets Grade Level Standard in all subjects is 38%. Gaps exist between the performance of At-Risk students (30%) compared to campus non At-Risk students (62%). **Root Cause:** A. There is a need to address English language development by analyzing prior year MAP, STAAR, and TELPAS data. B. There is a need to address effective instructional strategies during first instruction by analyzing prior year student performance using STAAR, MAP, and reading records. C. There is a need to address effective differentiation strategies by analyzing prior year Rtl documentation.

Perceptions

Perceptions Summary

Perceptions Campus Needs Assessment

How well do we do business?

Perceptions-refers to the organization's values, beliefs, transitions, and customs, which shape the personality and climate of the organization. It determines how parents, community, staff and student feel about the school and affects how people interact within the system.

Date: May 6, 2019

Team Members: Jennifer Erp, Emma Correa, Deanna Murray, Kelly Polito, Daisy Claire, Anna Britt, Linda Millen, Deanna Bane, Joyce Spisak, Mary Hardin

Directions: Using the questions and data listed below, please discuss and record "Summary of Strengths" and "Summary of Needs." Save the document to the "Memorial CNA 2019-2020" folder in Google.

Data Sources

Marzano HRS Level 1 Questions - 1.1,1.2,1.6

Questions to consider

1. What evidence exists that families and community members are involved in meaningful activities that support students' learning? What are the activities? Which parents and community members are involved? What trends and patterns do we observe? (List all parent involvement activities and categorize by focus - learning or other)
2. How are families and the community members involved in school decisions? How do family members provide feedback and input to the campus?
3. What types of services are available to support families, community members, and students to encourage healthy family relationships?
4. How do we celebrate students and staff success?

5. If families speak languages other than English, what are these languages? How does the school communicate in those languages?
6. How do students and staff describe school climate including: attitudes, respect, relationships, belonging, support, etc.? How does this data compare across groups? Which groups respond in which manner?
7. How do students and staff describe school environment regarding safety and orderliness?

Summary of Strengths:

We have emergency drills

Community police patrols

Multiple crossing guards

Staff supervision during arrival and dismissal

Visible staff

Students exit building in an orderly fashion

Organized dismissal process

Use of radios to manage student movement

Doors locked inside and outside of building

Security badges worn by staff

Parents/community members invited to SBIC

PTA input and involvement welcomed

Parent volunteers recruited and welcomed

Parents welcome to have lunch with students

Parents invited to multiple school events during the school day and evening events (multicultural festival, citizenship assemblies, parent academies, parenting classes, sewing classes, open house, student goal setting meetings, etc.)

Community groups contributing to school with physical upgrades and student activities/enhancements)

Reading buddies

Bowman PALS

Summary of Needs (Prioritize):

More parental and staff involvement in PTA

Better communication between PTA and school staff/admin

Ways to gather data for student feelings on school safety

Common practices and procedures for student physical conflicts

Intentional training on PISD See Something/Say Something app for students

Common language and procedures for schoolwide student management

Perceptions Strengths

Summary of Strengths:

We have emergency drills

Community police patrols

Multiple crossing guards

Staff supervision during arrival and dismissal

Visible staff

Students exit building in an orderly fashion

Organized dismissal process

Use of radios to manage student movement

Problem Statements Identifying Perceptions Needs

Problem Statement 1 (Prioritized): 30% of Bilingual and Monolingual students in K-2 are not reading on grade level. **Root Cause:** A systematic approach to effective reading groups and English language development is needed.

Problem Statement 2 (Prioritized): The percentage of all students performing at the Meets Grade Level Standard in all subjects is 38%. Gaps exist between the performance of At-Risk students (30%) compared to campus non At-Risk students (62%). **Root Cause:** A. There is a need to address English language development by analyzing prior year MAP, STAAR, and TELPAS data. B. There is a need to address effective instructional strategies during first instruction by analyzing prior year student performance using STAAR, MAP, and reading records. C. There is a need to address effective differentiation strategies by analyzing prior year Rtl documentation.

Priority Problem Statements

Problem Statement 1: 30% of Bilingual and Monolingual students in K-2 are not reading on grade level.

Root Cause 1: A systematic approach to effective reading groups and English language development is needed.

Problem Statement 1 Areas: Demographics - Student Learning - School Processes & Programs - Perceptions

Problem Statement 2: The percentage of all students performing at the Meets Grade Level Standard in all subjects is 38%. Gaps exist between the performance of At-Risk students (30%) compared to campus non At-Risk students (62%).

Root Cause 2: A. There is a need to address English language development by analyzing prior year MAP, STAAR, and TELPAS data. B. There is a need to address effective instructional strategies during first instruction by analyzing prior year student performance using STAAR, MAP, and reading records. C. There is a need to address effective differentiation strategies by analyzing prior year RtI documentation.

Problem Statement 2 Areas: Demographics - Student Learning - School Processes & Programs - Perceptions

Problem Statement 3: There is a gap between the All student group Meets performance level on STAAR Reading (40%) and the Special Education (9%) and Economically Disadvantaged (31%) student groups.

Root Cause 3:

Problem Statement 3 Areas: Demographics

Problem Statement 4: There is a gap between the All student group Meets performance level on STAAR Math (40%) and the Special Education (11%) and Economically Disadvantaged (33%) student groups.

Root Cause 4:

Problem Statement 4 Areas: Demographics

Problem Statement 5: There is a gap between the All student group Meets performance level on STAAR Writing (33%) and the Special Education (10%) and Economically Disadvantaged (24%) student groups.

Root Cause 5:

Problem Statement 5 Areas: Demographics

Problem Statement 6: There is a gap between the All student group Meets performance level on STAAR Science (30%) and the English Learners (17%) and Economically Disadvantaged (27%) student groups.

Root Cause 6:

Problem Statement 6 Areas: Demographics

Comprehensive Needs Assessment Data Documentation

The following data were used to verify the comprehensive needs assessment analysis:

Improvement Planning Data

- District goals

Accountability Data

- Texas Academic Performance Report (TAPR) data
- Student Achievement Domain
- Student Progress Domain
- Closing the Gaps Domain
- Comprehensive, Targeted, and/or Additional Targeted Support Identification data
- Accountability Distinction Designations
- Federal Report Card Data

Student Data: Assessments

- Texas English Language Proficiency Assessment System (TELPAS) and TELPAS Alternate results
- Local benchmark or common assessments data
- Running Records results
- Observation Survey results

Student Data: Student Groups

- At-risk/non-at-risk population including performance, progress, discipline, attendance, and mobility data
- Section 504 data
- Gifted and talented data
- Dyslexia Data
- Response to Intervention (RtI) student achievement data

Student Data: Behavior and Other Indicators

- Attendance data
- Discipline records

Employee Data

- Professional learning communities (PLC) data
- Staff surveys and/or other feedback
- Campus department and/or faculty meeting discussions and data

Parent/Community Data

- Parent surveys and/or other feedback
- Parent engagement rate
- Community surveys and/or other feedback

Support Systems and Other Data

- Processes and procedures for teaching and learning, including program implementation

Goals

Revised/Approved: September 23, 2020

Goal 1: DIP - Plano ISD will increase student learning as evidenced by an increase in the percentage of students performing at the Meets grade level standard on STAAR/EOC Reading and STAAR Writing from 2019 to 2021.

Performance Objective 1: HB3 - The percent of Memorial 3rd grade students that score meets grade level or above on STAAR Reading will increase from 45% in 2019 to 47% by June 2021. The Economically Disadvantaged student group performance will increase from 33% in 2019 to 38% in 2021. The English Learner student group performance will increase from 33% in 2019 to 37% in 2021.

Targeted or ESF High Priority

HB3 Goal

Evaluation Data Sources: 2021 STAAR Reading

Summative Evaluation: Significant progress made toward meeting Objective

Strategy 1 Details	Formative Reviews		
<p>Strategy 1: Provide ongoing professional learning and collaborative planning and support in Balanced Literacy to increase teacher effectiveness in Tier 1 instruction.</p> <p>Strategy's Expected Result/Impact: -Consistent progress-monitoring and responsive instruction to student needs in literacy with multiple data points. -Increase student performance as evidenced on MOY and EOY MAP Reading. -Increase teacher use of effective practices in literacy.</p> <p>Staff Responsible for Monitoring: Assistant Principal</p> <p>Title I Schoolwide Elements: 2.4, 2.5, 2.6 - TEA Priorities: Build a foundation of reading and math, Improve low-performing schools - Targeted Support Strategy</p> <p>Funding Sources: Teacher Extra Duty Pay - 211 Title I, Part A - \$3,081</p>	Formative		
	Nov	Feb	June
			
Strategy 2 Details	Formative Reviews		
<p>Strategy 2: Use of common formative assessment results in collaborative teams to monitor student progress and to adjust instruction in literacy.</p> <p>Strategy's Expected Result/Impact: -Consistent progress-monitoring and responsive instruction to student needs in literacy with multiple data points. -Increase student performance as evidenced on MOY and EOY MAP Reading. -Increase teacher use of effective practices in literacy.</p> <p>Staff Responsible for Monitoring: Instructional Specialists, Assistant Principal</p> <p>Title I Schoolwide Elements: 2.4, 2.5, 2.6 - TEA Priorities: Build a foundation of reading and math, Improve low-performing schools - Targeted Support Strategy</p>	Formative		
	Nov	Feb	June
			

Strategy 3 Details	Formative Reviews		
<p>Strategy 3: Provide ongoing professional learning and support in language development and acquisition.</p> <p>Strategy's Expected Result/Impact: -Increase teacher use of effective language strategies instruction. -Increase proficiency levels specifically in listening and speaking for all students.</p> <p>Staff Responsible for Monitoring: Campus Instructional Coaches, Assistant Principals</p> <p>Title I Schoolwide Elements: 2.4, 2.5, 2.6 - TEA Priorities: Build a foundation of reading and math, Improve low-performing schools - Targeted Support Strategy</p> <p>Funding Sources: Flocabulary, Vocabulary Program - 211 Title I, Part A - \$2,000</p>	Formative		
	Nov	Feb	June
			
Strategy 4 Details	Formative Reviews		
<p>Strategy 4: Host parent engagement opportunities so that parents can support literacy at home.</p> <p>Strategy's Expected Result/Impact: -Staff will share literacy strategies with parents at Morning Cafes and educational meetings. -Students and parents will participate in goal setting conferences throughout the year.</p> <p>Staff Responsible for Monitoring: Counselors, Social Worker, Teachers, Campus Instructional Coaches</p> <p>Title I Schoolwide Elements: 2.4, 2.5, 2.6, 3.1, 3.2 - TEA Priorities: Build a foundation of reading and math, Improve low-performing schools - Targeted Support Strategy</p> <p>Funding Sources: Materials for parents and students to use at home. - 211 Title I, Part A - \$810</p>	Formative		
	Nov	Feb	June
			
 No Progress  Accomplished  Continue/Modify  Discontinue			

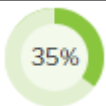

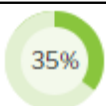

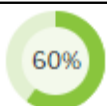

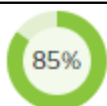

Goal 1: DIP - Plano ISD will increase student learning as evidenced by an increase in the percentage of students performing at the Meets grade level standard on STAAR/EOC Reading and STAAR Writing from 2019 to 2021.

Performance Objective 2: The percent of Memorial students that score Meets grade level or above on STAAR Reading 3-5 will increase from 40% in 2019 to 42% by June 2021. The Special Education student group performance will increase from 9% in 2019 to 12% in 2021. The English Learner student group performance will increase from 28% in 2019 to 32% in 2021.
