## **Comprehensive Needs Assessment**

## **Demographics**

#### **Demographics Summary**

During the 2018-19 school year, the highest enrollment total for Boggess was 537 which has declined over the past few years. By the end of the school year, the number of students who qualified for free or reduced lunch was at 12%. Additionally, there has been an increase in enrollment of students in special populations. The campus mobility rate was 3.4%, the attendance rate was 97.2% and Boggess serves students who speak more than 30 different languages.

#### **Demographics Strengths**

Diversity and attendance have been identified as strengths for Boggess. Serving at a campus with a diverse population of students provides staff members with opportunities to learn about different cultures and customs. Learning this information about students' families enables us to be more intentional with our efforts to be inclusive. Boggess continues to maintain a good attendance rate with averages above 95% for each grading period. The staff at Boggess strive to build positive relationships with students and parents through effective communication and a focus on the social and emotional well being of all students.

#### **Problem Statements Identifying Demographics Needs**

**Problem Statement 1 (Prioritized):** Gaps exist between the percentage of students meeting grade level standard or above on STAAR is (70%) compared to economically disadvantaged students who are at 44%. **Root Cause:** Instruction should be focused on knowledge of the readiness standards and target strands that are not being mastered.

**Problem Statement 2 (Prioritized):** The percentage of English learners meeting Meets grade level standards on STAAR Reading is 62%. **Root Cause:** Instruction should be focused on the knowledge of ELPs that advises the need to teach vocabulary and provide visual supports.

## **Student Learning**

#### **Student Learning Summary**

**Boggess Elementary Goals Including HB3 Goals:** (see tables in addendum): Individual goals are set for each student group with the expectation of high standards as well as to narrow the gap between each group and the All Students group. If the student group is below the All Students group, that student group's goal for 2024 is to narrow the performance gap by half as well as meet the overall percentage increase in the STAAR Meets Grade Level performance required for the All Students group.

When compared to like schools, the scores for Boggess are below in the areas of writing, reading and math. The STAAR data shows that students are not making expected growth in certain grade levels. The MAP data shows that students in the lowest quintiles (Quintiles 4 & 5) tend to show significant growth. However, students in the highest quintiles (Quintiles 1 & 2) do not show as much growth. This pattern appears to be consistent across all grade levels (except 1<sup>st</sup> and 5<sup>th</sup> grades which showed the opposite). Economically disadvantaged students showed less growth than non-economically disadvantaged peers. When looking at all subjects and students combined, 90% of students are at approaching grade level standard or above. The results on the Item analysis indicate the need for teachers need to be more cognizant of the readiness standards when preparing lessons to address the individual student needs.

#### **Student Learning Strengths**

During the 2019-20 school year, fifth grade teachers provided students with opportunities to experience hands-on project-based learning during each grading period. Consequently, the percentage of students who made targeted growth or beyond is being attributed to the following benefits of project-based learning: increase in student engagement, student-to-student collaboration, critical thinking, problem solving, deeper thinking and understanding and project management. The percentage of third grade students approaching grade level standard in Math is 92% and Reading is 96%. Fifth grade students approaching grade level standard in Math is 97% and 91% in Reading.

#### **Problem Statements Identifying Student Learning Needs**

**Problem Statement 1 (Prioritized):** The percentage of students meeting grade level standards on STAAR Writing is 42%. **Root Cause:** Students need more opportunities to practice revising and editing skills.

**Problem Statement 2 (Prioritized):** The percentage of students meeting grade level standards is 70%. **Root Cause:** All teachers need provide adequate instruction for student growth, focusing on TEKS and standards.

**Problem Statement 3 (Prioritized):** The percentage of students meeting grade level standard in math is 72%. **Root Cause:** Teachers need to be knowledgeable of readiness and supporting standards while providing effective instruction during Intervention/Enrichment Time.

**Problem Statement 4 (Prioritized):** The percentage of students meeting grade level standards in science is 61%. **Root Cause:** All teachers need to effectively teach vocabulary and science process skills.

## **School Processes & Programs**

#### School Processes & Programs Summary

Boggess has a collaborative culture where staff are invited to give input and share in the decision making. Teachers incorporate a variety of strategies, flexible grouping and interventions to meet the needs of students. At Boggess, there are systems in place to consistently build capacity, provide feedback and celebrate successes. The Mentor Program provides consistent support for new teachers through monthly meetings, opportunities to provide and recieve feedback and opportunities to attend trainings, as needed. Teachers are constantly seeking innovative ways to use the one-to-one technology to enhance lessons and as a type of formative assessment. The current staff at Boggess reflects the diversity of the campus, and the majority of staff members have 11-20 years of experience.

#### **School Processes & Programs Strengths**

The collaborative culture at Boggess allows teachers from various grade levels to analyze campus data and to discuss effective instructional practices/resources. The positive culture and climate at Boggess impacts student achievement, staff morale and community relations.

## Perceptions

#### **Perceptions Summary**

Results obtained from the Safety and Security Survey indicate that teachers, staff, students and the community believe that Boggess is a safe school. There are many avenues in which parents can communicate and give input into campus decisions. Boggess has a strong PTA with numerous volunteers who put in over 1200 volunteer hours annually. Over 95% of our parents are involved in the PTA and volunteer efforts. It is noteworthy that Boggess won the Golden Apple Award two years in a row by obtaining 100% faculty membership in the PTA. Parents have the ability to access communication in several languages when visiting the Boggess PTA website. This feature was added to the website 2 years ago in an effort to address the language needs of the diverse population. According to discipline data, there were no students sent to the Byrd Center during the 2018-19 school year. Based on the Plano Walk through data, there are high levels of student engagement. Soliciting feedback from parents in a variety of areas will continue to be a goal.

#### **Perceptions Strengths**

The results from the Safety and Security Survey indicate that the majority of students, staff, parents and members of the community believe that Boggess is a safe school. This belief is a welcome message to new parents and students when they visit or choose to enroll at Boggess. The PTA has a high level of involvement from staff, parents and the community. These partnerships enable the school to become maintain a strong and successful learning community for students.

# **Priority Problem Statements**

Problem Statement 1: The percentage of students meeting grade level standards is 70%.Root Cause 1: All teachers need provide adequate instruction for student growth, focusing on TEKS and standards.Problem Statement 1 Areas: Student Learning

Problem Statement 2: The percentage of students meeting grade level standards on STAAR Writing is 42%.Root Cause 2: Students need more opportunities to practice revising and editing skills.Problem Statement 2 Areas: Student Learning

Problem Statement 3: The percentage of students meeting grade level standard in math is 72%.
Root Cause 3: Teachers need to be knowledgeable of readiness and supporting standards while providing effective instruction during Intervention/Enrichment Time.
Problem Statement 3 Areas: Student Learning

Problem Statement 4: The percentage of students meeting grade level standards in science is 61%.Root Cause 4: All teachers need to effectively teach vocabulary and science process skills.Problem Statement 4 Areas: Student Learning

Problem Statement 5: The percentage of English learners meeting Meets grade level standards on STAAR Reading is 62%.Root Cause 5: Instruction should be focused on the knowledge of ELPs that advises the need to teach vocabulary and provide visual supports.Problem Statement 5 Areas: Demographics

**Problem Statement 6**: Gaps exist between the percentage of students meeting grade level standard or above on STAAR is (70%) compared to economically disadvantaged students who are at 44%.

**Root Cause 6**: Instruction should be focused on knowledge of the readiness standards and target strands that are not being mastered.

## **Comprehensive Needs Assessment Data Documentation**

The following data were used to verify the comprehensive needs assessment analysis:

#### **Improvement Planning Data**

• District goals

#### Accountability Data

- Texas Academic Performance Report (TAPR) data
- Student Achievement Domain
- Student Progress Domain
- Closing the Gaps Domain
- Effective Schools Framework data
- Comprehensive, Targeted, and/or Additional Targeted Support Identification data
- Accountability Distinction Designations

#### **Student Data: Assessments**

- Texas English Language Proficiency Assessment System (TELPAS) and TELPAS Alternate results
- Texas Primary Reading Inventory (TPRI), Tejas LEE, or other alternate early reading assessment results
- Local benchmark or common assessments data
- Running Records results
- Grades that measure student performance based on the TEKS

#### **Student Data: Student Groups**

- Male / Female performance, progress, and participation data
- · Special education/non-special education population including discipline, progress and participation data
- · At-risk/non-at-risk population including performance, progress, discipline, attendance, and mobility data
- Response to Intervention (RtI) student achievement data

#### **Student Data: Behavior and Other Indicators**

- Attendance data
- Discipline records
- Class size averages by grade and subject
- School safety data
- Enrollment trends

#### **Employee Data**

- Teacher/Student Ratio
- State certified and high quality staff data
- Campus department and/or faculty meeting discussions and data
- TTESS data
- T-PESS data

#### Parent/Community Data

- Parent surveys and/or other feedback
- Community surveys and/or other feedback

#### Support Systems and Other Data

- Communications data
- Capacity and resources dataStudy of best practices

## Goals

#### Revised/Approved: September 29, 2020

**Goal 1:** DIP - Plano ISD will increase student learning as evidenced by an increase in the percentage of students performing at the Meets grade level standard on STAAR/EOC Reading and STAAR Writing from 2019 to 2021.

**Performance Objective 1:** HB3 - The percent of Boggess 3rd grade students that score meets grade level or above on STAAR Reading will increase from 82% in 2019 to 84% by June 2021. The Economically Disadvantaged student group performance will increase from 58% in 2019 to 63% in 2021. The Special Education student group performance will increase from 47% in 2019 to 50% in 2021.

HB3 Goal

#### **CAMPUS APPENDIX**

#### STATE MANDATES IMPLEMENTATION REFERENCE

Texas law and Board Policies mandate the following be addressed with strategies for improving student performance. To increase the LEA's ability to focus on a limited number of targeted initiatives in this improvement plan, the LEA will plan, implement, monitor and evaluate the following mandates through other procedures and practices. When requested, the LEA Person Responsible will report progress to the site-based committee.

LEA Person Responsible for update	Mandate	Reference	Location of Documentation
Executive Director for Student & Family Services	Bullying         Staff Prevention         Identify high risk areas         Monitor high risk areas         Follow campus rules/expectations         Staff Education         Participate in annual staff training on bullying/sexual harassment/suicide prevention/trauma informed practices/human trafficking         Review referral process         Staff Intervention         Establish recommended intervention strategies for classroom/campus         Implement campus referral plan         Utilize Discipline Management strategies         Student Prevention         Clearly state student expectations/campus rules/citizenship         Monitor high risk areas         Student Education         Explain referral process/contacts         Anonymous Tip Line         Student Intervention         Apply classroom interventions	TEC 11.252(a)(3)(E)	The school will follow the Student Handbook and Board Policies: FFI, FDB, FFF, FFH, FO, CQA, and FFB.

	<ul> <li>Employ discipline interventions</li> <li>Use other intervention strategies as necessary/appropriate</li> <li>Conference with parents/students</li> </ul>		
Principal	<ul> <li>Coordinated Health Program</li> <li>Coordinated School Health         <ul> <li>K-8 Designate a Campus Wellness Captain and establish a Campus Wellness Team; set meetings, establish measurable goals and document progress toward goal completion.</li> <li>K-8 Include at least one Parent on Campus Wellness Team.</li> <li>K-8 Ensure that all components of the Coordinated School Health curriculum are delivered in an appropriate setting, i.e. classroom component requires use of a classroom.</li> <li>K-8 Create a Coordinated School Health bulletin board inside the school building for students, staff and parents to view.</li> <li>K-8 Notify parents/community members of Family Wellness Nights/Health Fairs through use of marquee, newsletter, web page, and/or myPISD.</li> </ul> </li> <li>Fitness         <ul> <li>3-8 Pre and Post Assess all eligible students using fitness test components.</li> <li>4th and 7th Ensure all data for 3rd - 8th grade students is entered on timely basis, fitness report cards are printed (4th grade and 7th grade) and sent to parents or linked through myPISD. Include at least one Parent on Campus Wellness Team.</li> </ul> </li> <li>Physical Activity Requirements         <ul> <li>K-8 Campuses Only: Ensure students are receiving required physical education classes/minutes for each school year and achieving moderate to vigorous physical activity (MVPA) 50% of the physical education class period.</li> <li>K-8 Measure MVPA and physical activity time</li> </ul> </li></ul>	TEC 11.253(d) Board Policy FFA(Local)	The school will follow Board Policies: FFA and EHAA.

	<ul> <li>using pedometers and heart rate monitors.</li> <li>K-8 Ensure physical education staff is using a sequential and developmentally appropriate curriculum which has students active at least 70%-90% of class time.</li> <li>K-5 Ensure students are receiving daily unstructured play during recess.</li> <li>K-5 Encourage opportunities for brain breaks and short activity breaks throughout the day.</li> <li>Attendance</li> <li>K-8 Monitor attendance of students and follow up on prominent and chronic absences.</li> </ul>		
Principal	<ul> <li>Recruiting Certified Teachers and Highly-Qualified</li> <li>Paraprofessionals         <ul> <li>Local on-going high quality professional development based on campus needs or district identified needs is provided to all teachers in all core subject areas.</li> <li>Funding source: State and Local</li> </ul> </li> </ul>	ESSA	
Principal	<ul> <li>Parent Involvement         <ul> <li>Require all parents to register students via Parent Portal in order to have access to eNews, grades, attendance, and other electronic information. Funding Sources: SCE, Title I and Local</li> <li>Identify parents without computer/Internet access and offer assistance through the District Mobile Technology Lab for parent education and access. Funding Sources: SCE, Title I and Local</li> <li>Upgrade and maintain the campus website for easy access and increased communication with the community.
