Comprehensive Needs Assessment

Demographics

Demographics Summary

Our demographics are very diverse and play a significant role in the strength of our program at Wyatt. We are creating a global community awareness benefiting the educational growth of each individual student. As our community ages, our enrollment is declining. Engaging with our community will allow us to expand awareness of our diverse and safe environment. We offer numerous opportunities for the community to participate in the daily life of our campus. We have an active parent community, an involved and diverse PTA, and a student population that is very engaged in school functions both during and outside of school.

Demographics Strengths

Student diversity

- 56% Asian
- 25% White
- 10% Hispanic
- 4% African American
- 6% Econ Dis
- 15% ESL
- 7% SPED
- 5% Mobility

98.2% Attendance

- 41.3% PACE
- 4% 504 6 Distinctions

Problem Statements Identifying Demographics Needs

Problem Statement 1: Our campus is experiencing declining enrollment **Root Cause:** The Wyatt neighborhoods are aging out and not many new homes go on the market.

Problem Statement 2: The At-Risk Population has increased in recent years to 25% **Root Cause:** The demographics of the areas are shifting to include more low income families and students with at-risk needs.

Student Learning

Student Learning Summary

Wyatt Elementary Goals Including HB3 Goals: (see tables in addendum): Individual goals are set for each student group with the expectation of high standards as well as to narrow the gap between each group and the All Students group. If the student group is below the All Students group, that student group's goal for 2024 is to narrow the performance gap by half as well as meet the overall percentage increase in the STAAR Meets Grade Level performance required for the All Students group.

STAAR, MAP, and TELPAS data were reviewed and analyzed to identify strengths and weaknesses within the Wyatt instructional program. Overall, there is consistent growth and achievement in all areas and in all demographics. With an emphasis on differentiation and guided reading in our campus improvement plan for the previous year, we were able to target the needs of specific students. Additionally, emphasis was placed on student engagement and the social emotional needs of specific students. All grade levels implemented guided reading and there was significant growth in reading scores across the campus. Training was provided for staff regarding the use of differentiated instructional strategies and strategies to assist with gifted learning including the use depth & complexity icons.

Student Learning Strengths

MAP and STAAR Grades 3-5

- Reading growth K-2 is very large
- Each grade level uses some form of math differentiation
- * Grades 3 - 5 serve students who are cognitively 2 standard deviations about the typical student in their grade through Math Rocks program
- * 3rd - 5th each grade level has a significant number of high achieving math students, who do not meet criteria for Math Rocks, yet need something more than peers in grade level
- *math camps are routine used with flexible grouping throughout the year in grade K-2
- Targeted intervention addresses needs and strengths
- Support for education is strong in our community Implications:
- Data indicates that our diverse students are stronger in both math and reading
- K-2 enters at different levels but there is growth over time
- Diverse population attends school outside of normal Wyatt hours

Problem Statements Identifying Student Learning Needs

Problem Statement 1: Target students to move from "meets" to "masters"

Problem Statement 2: Higher level questioning during reading to improve comprehension

Problem Statement 3: Be diligent during student placement (SPED, ELL, PACE, Math Rocks, Speech, Take Flight)

Problem Statement 4 (Prioritized): Student Achievement is impacted by inconsistencies with regard to pacing, completion dates, and small vs. whole group instruction which causes lack of equity for all students within the grade level. **Root Cause:** Lack of targeted instruction, Embed intervention and enrichment time, Devoted PLC time for I/E planning, Using common formative assessments regularly, We let students "get away with" things lower than their cognitive ability (i.e. - speaking and responding to in complete sentences), Developing a common language across grade levels (K-5, SPED, and ESL), Teacher assumptions regarding student ability levels impacting learning, More intentional focus of extended planning

School Processes & Programs

School Processes & Programs Summary

Wyatt has worked over the last several years to put in place programs and processes that benefit the students and staff. It has been and continues to be a priority to refine our systems to make them more efficient.

Some recent changes that have been put in place to refine our campus wide systems include the following: 1) Communicating master schedule sooner with teacher input. 2) School-wide behavior plan has been developed and has been presented to the staff. The refinement of the plan is ongoing. 3) Collaboration using the PLC model - specifically grade level teams, service teams, the guiding coalition, the leadership team, and even cross/like campus collaboration. 4) Data driven instruction - specifically using data to target skills needed and instruction. 5) Safety protocol - specifically our safety plan that was put in place and practiced/rehearsed. 6) Student engagement - specifically love of learning (based on survey from 2018-2019).

School Processes & Programs Strengths

Collaboration

- Teams
- Cross Campuses

Guided Reading Differentiation Safety

- ICS Plan
- Reunification Plan Data Driven Instruction

Student Engagement/Love of Learning

Technology

Problem Statements Identifying School Processes & Programs Needs

Problem Statement 1 (Prioritized): Student behavior and learning is impacted by inconsistent behavioral expectations across the campus **Root Cause:** Varied use of behavior strategies across the campus, resorting to practices that were utilized prior to restorative practices training, lack of a common language, more training needed in restorative practices, teachers unclear of the hierarchy of intervention (when to get an admin involved)

Problem Statement 2: Teacher feedback is necessary in the development of the master schedule.

Problem Statement 3: Continued improvement is needed in guided reading and differentiation for upper tier students.

Perceptions

Perceptions Summary

Our perception is that Wyatt is a safe school community with a focus on social/emotional support. We gathered data from parent, student, and staff surveys. We pride ourselves on the positive learning culture that is exhibited by both staff and students. We have spent quality time employing the strategies to make Wyatt a High Reliability School as we focused time and energy on creating a Safe and Collaborative School Culture. Wyatt is deeply rooted in the values of academic excellence, social and emotional development, and diversity. The strive for equity across the campus as we believe that all students should benefit from high quality teaching in every classroom. We believe in the value of the arts in creating a well rounded school program that engages all types of learners. Our school traditions are numerous and help to establish a family environment that brings the school and community together throughout the year. Wyatt was recently honored with the PTA School of Excellence Award which emphasizes the arts and community engagement.

Perceptions Strengths

Safe school community

- Staff, students, parents waiting to complete

Collaborative

- Staff survey Social Emotional Support
- Survey data
- morning circles
- Assemblies Friendly/Student Centered
- Artwork
- Assemblies
- Parent Visitors Communication
- Many forms
- Staff and community weekly newsletter
- Phone tree
- Remind
- Surveys Emphasis on building community spirit with strong supportive PTA
- Long list of family focused events

- Parent education night
- Lego & literacy
- Book fair
- Read-a-Thon
- Science Fair
- Immigration Day/Pioneer Day
- Tejas Museum
- Famous for a Day, 100th day, pumpkin math, etc

Diversity is celebrated

Wyatt was recently honored with the PTA School of Excellence Award which emphasizes the arts and community engagement.

Problem Statements Identifying Perceptions Needs

Problem Statement 1: A school wide positive behavior support plan is needed across the campus. **Root Cause:** Different teams and teachers have utilized different behavior systems resulting in a lack of clarity and consistency.

Problem Statement 2: Wyatt staff desire more social interactions and team building opportunities. **Root Cause:** There is a shortage of social and team building opportunities compared to what the staff desires

Problem Statement 3: A deeper understanding of our diverse student body and cultural sensitivity is needed **Root Cause:** Actions in the classroom with scheduling, tests, etc. (Religious holidays, for example) are not taken into account.

Priority Problem Statements

Problem Statement 1: Student Achievement is impacted by inconsistencies with regard to pacing, completion dates, and small vs. whole group instruction which causes lack of equity for all students within the grade level.

Root Cause 1: Lack of targeted instruction, Embed intervention and enrichment time, Devoted PLC time for I/E planning, Using common formative assessments regularly, We let students "get away with" things lower than their cognitive ability (i.e. - speaking and responding to in complete sentences), Developing a common language across grade levels (K-5, SPED, and ESL), Teacher assumptions regarding student ability levels impacting learning, More intentional focus of extended planning

Problem Statement 1 Areas: Student Learning

Problem Statement 2: Student behavior and learning is impacted by inconsistent behavioral expectations across the campus

Root Cause 2: Varied use of behavior strategies across the campus, resorting to practices that were utilized prior to restorative practices training, lack of a common language, more training needed in restorative practices, teachers unclear of the hierarchy of intervention (when to get an admin involved)

Problem Statement 2 Areas: School Processes & Programs

Comprehensive Needs Assessment Data Documentation

The following data were used to verify the comprehensive needs assessment analysis:

Improvement Planning Data

- District goals

Accountability Data

- Texas Academic Performance Report (TAPR) data
- Student Achievement Domain
- Student Progress Domain
- Closing the Gaps Domain
- Accountability Distinction Designations

Student Data: Assessments

- Texas English Language Proficiency Assessment System (TELPAS) and TELPAS Alternate results
- Texas Primary Reading Inventory (TPRI), Tejas LEE, or other alternate early reading assessment results
- Observation Survey results
- Grades that measure student performance based on the TEKS

Student Data: Student Groups

- Male / Female performance, progress, and participation data
- Special education/non-special education population including discipline, progress and participation data
- At-risk/non-at-risk population including performance, progress, discipline, attendance, and mobility data
- Dyslexia Data
- Response to Intervention (RtI) student achievement data

Student Data: Behavior and Other Indicators

- Attendance data
- Mobility rate, including longitudinal data
- Student surveys and/or other feedback
- Class size averages by grade and subject
- School safety data
- Enrollment trends

Employee Data

- Professional learning communities (PLC) data
- Staff surveys and/or other feedback
- Teacher/Student Ratio
- State certified and high quality staff data
- Campus leadership data
- Professional development needs assessment data

Parent/Community Data

- Parent surveys and/or other feedback
- Parent engagement rate
- Community surveys and/or other feedback

Support Systems and Other Data

- Organizational structure data
- Processes and procedures for teaching and learning, including program implementation
- Communications data
- Study of best practices
- Other additional data

Goals

Revised/Approved: September 29, 2020

Goal 1: DIP - Plano ISD will increase student learning as evidenced by an increase in the percentage of students performing at the Meets grade level standard on STAAR/EOC Reading and STAAR Writing from 2019 to 2021.

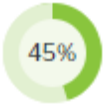

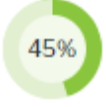

Performance Objective 1: HB3 - The percent of Wyatt 3rd grade students that score meets grade level or above on STAAR Reading will increase from 83% in 2019 to 85% by June 2021. The White student group performance will increase from 79% in 2019 to 80% in 2021. The Hispanic student group performance will increase from 70% in 2019 to 75% in 2021.

HB3 Goal

Evaluation Data Sources: 2021 STAAR Assessment

Summative Evaluation: Some progress made toward meeting Objective

Strategy 1 Details	Formative Reviews		
Strategy 1: Training in SMART Goal Writing Process Strategy's Expected Result/Impact: Staff will write specific and targeted goals that support the campus goals. This will result in focused effort to increase student learning outcomes for targeted student groups. Staff Responsible for Monitoring: Administrators, Teachers	Formative		
	Nov	Feb	June
			
Strategy 2 Details	Formative Reviews		
Strategy 2: Establish Monthly Data Review Meetings Strategy's Expected Result/Impact: Staff will have clarity of the needs of their students, so that they can provide targeted instruction. Staff Responsible for Monitoring: Administrators, Teachers	Formative		
	Nov	Feb	June
			
Strategy 3 Details	Formative Reviews		
Strategy 3: Develop Protocols for Data Review Meetings Strategy's Expected Result/Impact: Teams will have knowledge of expectations and which data is most relevant at specific times of the year when analyzing data which will focus teams and create vertical alignment. Staff Responsible for Monitoring: Administrators, Teachers	Formative		
	Nov	Feb	June
			

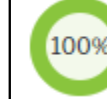

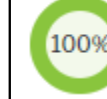

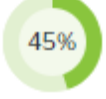

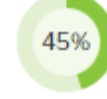

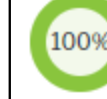

Strategy 4 Details	Formative Reviews		
Strategy 4: Training on District Developed Summative Assessments Strategy's Expected Result/Impact: Teachers will be able to compare data with the district and other "like" campuses. Staff Responsible for Monitoring: Administrators, Teachers	Formative		
	Nov	Feb	June
			
Strategy 5 Details	Formative Reviews		
Strategy 5: Training on Rtl Strategy's Expected Result/Impact: Teachers will implement a strong system of interventions built on PLC practices resulting in increased student learning for targeted student groups. Staff Responsible for Monitoring: Administrators, Teachers	Formative		
	Nov	Feb	June
			
Strategy 6 Details	Formative Reviews		
Strategy 6: Training on Depth & Complexity Strategy's Expected Result/Impact: Teachers will be prepared to differentiate instruction by adding depth & complexity to their lessons. Staff Responsible for Monitoring: Administrators, Teachers	Formative		
	Nov	Feb	June
			
Strategy 7 Details	Formative Reviews		
Strategy 7: Grades Kindergarten through 3rd Grade along with campus specialists will complete the Reading Academy modules, participate in the Reading Academy community, and implement research based reading instructional practices. Strategy's Expected Result/Impact: Teachers will expand their understanding of reading instruction and apply evidence-based reading methods that best support development of skilled reading. Staff Responsible for Monitoring: Administrators, Teachers	Formative		
	Nov	Feb	June

Goal 4: The Plano ISD Counseling Department is committed to the delivery of comprehensive services that meets the needs of all students and supports the district vision and mission.

Performance Objective 1: We will design and implement a Comprehensive School Counseling Program (CSCP) for Wyatt Elementary in accordance with the Plano ISD CSCP plan.

Evaluation Data Sources: The plan will be evaluated utilizing academic, behavioral and attendance data.

Summative Evaluation: Some progress made toward meeting Objective

Strategy 1 Details	Formative Reviews		
Strategy 1: Our school counselor, will create a steering committee made up of members with diverse backgrounds and experience. Strategy's Expected Result/Impact: The steering committee includes teachers with diverse backgrounds and years of experience which will bring a greater perspective to analyzing the data. One parent and two administrators are also members, which offers additional perspective. Staff Responsible for Monitoring: Counselor	Formative		
	Nov	Feb	June
			
Strategy 2 Details	Formative Reviews		
Strategy 2: The steering committee will meet monthly to review the most current data having to do with academic achievement, behavior, or attendance. Strategy's Expected Result/Impact: Monthly committee meetings will evaluate the campus needs during the designing process and assess program effectiveness during the implementation process. Staff Responsible for Monitoring: Counselor	Formative		
	Nov	Feb	June
			
Strategy 3 Details	Formative Reviews		
Strategy 3: We will construct a CSCP Service Plan and a Principal's Agreement for the 2020-2021 School Year. Strategy's Expected Result/Impact: This will create a transparent and overt awareness of and a dedicated support system for this program. Staff Responsible for Monitoring: Counselor, Administrators, Steering Committee Members	Formative		
	Nov	Feb	June
			
Strategy 4 Details	Formative Reviews		
Strategy 4: We will engage students through campus-wide whole class, small group and individual support. Strategy's Expected Result/Impact: Students will become more successful and engaged in their academic achievements, college and career readiness, and social and emotional competencies. Staff Responsible for Monitoring: Counselor	Formative
