Comprehensive Needs Assessment

Revised/Approved: September 22, 2021

Demographics

Demographics Summary

- Average Daily Attendance (ADA) - 97.9% - higher than state and district averages
- Low Mobility Rate (5.9%) compared to state (16%) and district (10%) averages

Demographics Strengths

- Student attendance in regards to tardies and absences is better than the district average. Continue Strike Out Tardies program in order to continue progress in student attendance.
- Campus stability - low staff turnover rate
- Community's expectations of students and staff drive success rate to maintain low staff mobility
- Community values strong academic performance which motivates success
- Strong relationships established and maintained between campus and parents via Bloomz, Seesaw, eNews. eNewsletter, etc.
- The majority of our ESL students have a good working knowledge of the English language - percentage rate to be added at a later date
- Use campus funds and volunteers to provide snacks for students who may not be financially capable

Problem Statements Identifying Demographics Needs

Problem Statement 1: Economic disadvantaged campus numbers are increasing **Root Cause:** Campus open to transfers and increase in #of families in apartments

Problem Statement 2: Tardiness and absences continue to interfere with learning **Root Cause:** Additional parent incentives may be needed to encourage student attendance

Student Learning

Student Learning Summary

Stinson Elementary Goals Including HB3 Goals: (see tables in addendum): Individual goals are set for each student group with the expectation of high standards as well as to narrow the gap between each group and the All Students group. If the student group is below the All Students group, that student group's goal for 2024 is to narrow the performance gap by half as well as meet the overall percentage increase in the STAAR Meets Grade Level performance required for the All Students group.

Problem Statements Identifying Student Learning Needs

Problem Statement 1 (Prioritized): Economically Disadvantaged group performing below district averages for same group on standardized testing **Root Cause:** Small group intervention not always available with fidelity due to current staffing

Problem Statement 2 (Prioritized): Documentation of Campus RtI for Tier II / Tier III students not up to district recommended best practices. **Root Cause:** Campus has not previously invested sufficient time/resources in training staff, providing example goal statements, and monitoring of documentation.

Problem Statement 3 (Prioritized): ELL group improvement on TELPAS ratings and STAAR testing currently lower than district averages for same group . **Root Cause:** Additional classroom strategies and instructional supports needed for second language learners.

School Processes & Programs

School Processes & Programs Summary

STAFF PD

- High # of retained teachers and staff provide a consistency for students, parents, community
- Well established new teacher mentor program along w/ established PD opportunities adequately meet the needs of teachers' professional growth

Curriculum, Instruction, Assessment

- Posted learning objectives are becoming common practice in building
- Substantial progress in unpacking TEKS standards and Backwards Design lesson implementation is occurring through extended planning opportunities for teachers.
- Math MAP scores showed significant growth in multiple grades and are no longer an area of concern in the lower grades.

School Context and Organization

- Well Designed PLC and weekly meeting format to maximize HRS and student learning needs

Technology

- Increase use and implementation of Chromebooks (currently 2nd-5th and one 1st grade class)
- Significant improvement in staff technology capacity due in part to technology Learning Team efforts and specific TTESS teacher technology goals

School Processes & Programs Strengths

Technology

- 1:1 implementation of chromebooks campus wide K-5 beginning 2019-2020
- Starting in 2019, students entering Kindergarten will build technology skills and digital citizenship

Curriculum, Instruction, Assessment

- Math curriculum is strong, comprehensive and clear
- Math assessment options broad and developed to fit students needs
- Small group instruction is effective
- During planning we felt like we were able to dig into the TEKS and plan accordingly to ensure that our students were prepared for the next grade level.

Staff PD

- Extended planning time has increased intentional planning of curriculum for teacher and student success.
- Strong vertical and horizontal team collaboration about students.

School Context and Organization

- Tuesday was collaborative planning day where no meetings were scheduled and the team had time to plan best instructional practices.

- Learning teams are collaborative and effective at creating ongoing goals.
- Due to the increase use of technology, learners are entering the next grade level with a greater foundational capacity.
- Lesson Planning-Teachers have had an increased awareness of what TEKS and expectations are to be addressed while completing our lesson plans.
- Learning teams are successful because teachers are finding ways to give back to the school, students, teachers and volunteers. (ex: Literacy Night, Book Fair, Volunteer Luncheon, staff parties, boosting staff morale.

Problem Statements Identifying School Processes & Programs Needs

Problem Statement 1: Teachers are seeking additional instructional feedback to help them grow **Root Cause:** Additional systems need to be added to allow peers and supervisors more time to provide instructional feedback

Problem Statement 2: Teachers are seeking additional tools/guidance for planning instruction when students do not master understanding of TEKS. **Root Cause:** Additional discussion / guidance needed from specialists, administrators for teachers in regards to best reteaching practices.

Problem Statement 3 (Prioritized): Teachers are seeking additional tools / guidance for tutoring students in accordance with HB4545 requirements. **Root Cause:** HB4545 is new this year, creating many questions and concerns as staff work with PISD to build supports and structures to address tutoring needs.

Priority Problem Statements

Problem Statement 3: Economically Disadvantaged group performing below district averages for same group on standardized testing

Root Cause 3: Small group intervention not always available with fidelity due to current staffing

Problem Statement 3 Areas: Student Learning

Problem Statement 2: Documentation of Campus Rtl for Tier II / Tier III students not up to district recommended best practices.

Root Cause 2: Campus has not previously invested sufficient time/resources in training staff, providing example goal statements, and monitoring of documentation.

Problem Statement 2 Areas: Student Learning

Problem Statement 4: ELL group improvement on TELPAS ratings and STAAR testing currently lower than district averages for same group .

Root Cause 4: Additional classroom strategies and instructional supports needed for second language learners.
