

Plano Independent School District
Gulledge Elementary
2022-2023

Board Approval Date: September 20, 2022

Mission Statement

We believe that every child deserves a safe haven where love, hope, and trusting relationships support family engagement and high levels of academic excellence.

Vision

We envision a safe and caring community wherein staff, families, and students work together to support each student's academic and personal development. High performing teams continuously serve our community and focus on improving learning by providing equity to each child. Effective and ongoing opportunities to build and enhance parents' knowledge and skills will be embedded in our school culture.

Comprehensive Needs Assessment

Demographics

Demographics Summary

Gulledge Elementary as in past years, continues to stress the importance of family engagement. There is a formal onboarding process for all new families in partnership with the PTA. We have hired 25%-30% new staff to our campus this year with an increase in enrollment or staff moving out of Plano ISD. Many staff members choose to bring their students to Gulledge which accounts for the majority of our transfers.

Gulledge data reflects a diverse demographic that continues to grow in enrollment. Current enrollment is at approximately 740 students including 230 ESL students. Our economically disadvantaged enrollment is at 13% and while the Special Education enrollment is at 9%, this area continues to increase. 10% of our student enrollment participates in the Plano Academic and Creative Education program (PACE) which serves our gifted and talented population.

Demographics Strengths

Our school culture is tied closely to a vision of a caring community wherein staff, families, and students work together to support each student's academic and personal development. High performing teams continuously serve our community and focus on improving learning by providing equity to each child. Effective and ongoing opportunities to build and enhance parents' knowledge and skills through an interactive partnership are embedded in how we engage our community.

Gulledge's home and school connection plan focus on increasing parent participation in regular, two-way and meaningful communication involving student academic learning and school activities. The staff over-communicates so that family engagement continues to make positive and lasting impacts on student outcomes. We strive to welcome and invite each family into our community by purposefully creating a hospitable climate where each person, collaboration and communication are valued. Our Parent-Teacher Association (PTA) encourages outreach to families regardless of PTA membership. We partner and build inclusiveness and survey families to offer programs. Staff routinely offer Parent Education opportunities targeting identified areas of interest.

Staff professional development and teacher capacity building centers around family, school and community partnerships, building teacher instructional strengths and team collaboration. We evaluate and reflect upon the effectiveness of your efforts.

Communication efforts are also strong as we utilize the many forums provided by Plano ISD including Google Classroom. We communicate with families via multiple media: Weekly classroom emails, SMORE newsletters, communication cards, PTA Facebook, Twitter, Instagram, Phone Master (phone and email), marquee, and hard copies.

Our fifth-grade students demonstrated accelerated growth compared to the district average in math, reading, and science.

Problem Statements Identifying Demographics Needs

Problem Statement 1: Consistent increase of ELL, SpEd, and economically disadvantaged student subgroups enrolling at Gulledge. **Root Cause:** Economic, social, and demographic factors draw people to Plano ISD and the Gulledge boundary zone.

School Processes & Programs

School Processes & Programs Summary

At Gulledge Elementary, it is important to us that our students have the best instructional experiences possible. We put time and effort into creating classes that meet the needs of all students. Attention and detail are given according to student's strengths, areas of growth, and learning styles. The master schedule is developed with input from grade level and campus department representatives to meet the needs of all students. The implementation of the "First 5 Days" is a focus on information literacy, student roles, and global collaboration that set the tone for a year of engaging and self-directed learning in the classroom. What I Need (WIN) is a 30 minute period each day dedicated to skills-based remediation or enrichment based on individual student needs. Community circle time is also scheduled each day for students to create a common culture that values collaboration, risk-taking, respect, openness and honesty. Counseling prioritizes induction of newcomers. All subgroups are focused upon when building the master schedule and small group intervention.

Teacher Mentor Program: The Gulledge teacher mentor program is structured into two cohorts. Cohort 1 consist of first year teachers new to the teaching profession. Cohort 2 consist of second year teachers as well as teachers new to the Gulledge campus. Each cohort meets monthly and is facilitated by a mentor teacher. Monthly meetings are focused on best teaching practices, organizational skills, team-building, self-reflection, and classroom management. Social and emotional support is provided by the cohort facilitators and the campus administrative staff. Both cohorts provide monthly feedback through surveys, while end of year feedback is used to create meeting agendas for the next school year.

School Processes & Programs Strengths

School culture and climate build and maintained as safe and positive through our Family Engagement plan. Recruiting and retaining quality staff that mirrors our student demographics. Our clear and consistent PBIS behavioral foundation including Love and Logic and restorative practices like SEL provide structures for three school-wide expectations. This provides a basis for students to own their thinking and meet high expectations since the building has strong management procedures.

We focus on all students and our staff consistently demonstrates dedication to growing as professionals for the good of public school education and outcomes. PLC structures like norms, expectations, common planning and assessing of students focused on four instructional questions promotes collaboration. We also have improved efforts to support staff morale as well as structures to promote quality time as teams for lesson planning.

Staff opinions and feedback are gathered as we program and direct our campus transformation. We have adaptive leadership systems in place to promote staff engaging with one another in multiple ways to build alignment and trust.

Our mission, vision, and shared expectations have led to shared values for how we interact with all stakeholders.

Technological resources are utilized in multiple content areas. We have a focused intentional use of technology through professional development and observations.

Problem Statements Identifying School Processes & Programs Needs

Problem Statement 1: The delivery of Tier I instruction including programs, curriculum, instruction and assessment, strategies, and interventions has not been evaluated by PLC teams for commonality and effectiveness. **Root Cause:** Varying team agendas and focusing on the first four questions of the PLC Framework

Perceptions

Perceptions Summary

Our school mission: We believe that every child deserves a safe haven where love, hope, and trusting relationships support family engagement and high levels of academic excellence.

The school vision focuses on building and maintaining a positive school culture and climate. We have two critical actions that we assessed monthly. Staff training and capacity along with that of families is crucial to success. Our campus onboard families, students and staff new to Gulledge. As we built collaborative teams this year, there was an increase of administrators in planning sessions as resources instead of as evaluators. Teams are working through the PLC process to build capacity. Planning efforts include effective use of agendas, norms, four guiding questions, and whole team involvement. A peer observation process was implemented where we provide feedback to one another about the teacher SLO, student learning objectives, and instruction. We also believe in capacity growth over time. Next year's goal will build upon this year's successes. We believe in analyzing student and staff data for improvement. Through the use of kid talk, data digs and student response to the instruction, we are becoming better at understanding how data helps us instruct. Many building-wide processes align our work including the use of a 30 minute per day, What I Need, WIN for intervention and enrichment as well as community circles for relationship building. Finally, we value the whole child, so we focus on Positive Behavior Intervention Support, PBIS, in supporting student mindset, behavior, and social skills.

Perceptions Strengths

Strengths identified include:

Professional Learning Communities working as Collaborative teams: Multi-Tiered Systems of Support, Learning Teams like SEL and PBIS, Grade level teams, Site-Based Improvement Committee

Teams are still learning to use the four questions that drive collaborative teams and principals are learning to design a schedule to promote feedback; all are learning how to use student assessment data and teacher input to understand every student's areas of growth and need.

Safe and collaborative culture

Monitoring the effectiveness of our practices with stakeholder feedback

School-wide alignment and systematic approaches to how we do business

All decisions based on what is best for students

Family engagement

Problem Statements Identifying Perceptions Needs

Problem Statement 1: At the campus, there are inconsistent and varied uses of instructional strategies in reading, math, and science. **Root Cause:** Predominate instructional practices throughout the school are not known and monitored to the degree necessary.

Priority Problem Statements

Comprehensive Needs Assessment Data Documentation

The following data were used to verify the comprehensive needs assessment analysis:

Improvement Planning Data

- District goals
- Campus goals
- HB3 Reading and math goals for PreK-3
- Performance Objectives with summative review (prior year)
- Campus/District improvement plans (current and prior years)
- Covid-19 Factors and/or waivers for Assessment, Accountability, ESSA, Missed School Days, Educator Appraisals, etc.
- Planning and decision making committee(s) meeting data
- State and federal planning requirements

Accountability Data

- Texas Academic Performance Report (TAPR) data
- Student Achievement Domain
- Student Progress Domain
- Closing the Gaps Domain
- Accountability Distinction Designations
- Federal Report Card and accountability data

Student Data: Assessments

- State and federally required assessment information
- STAAR current and longitudinal results, including all versions
- Texas English Language Proficiency Assessment System (TELPAS) and TELPAS Alternate results
- Texas Primary Reading Inventory (TPRI), Tejas LEE, or other alternate early reading assessment results
- Student Success Initiative (SSI) data for Grades 5 and 8
- Local diagnostic reading assessment data
- Local benchmark or common assessments data
- Running Records results
- Observation Survey results

Student Data: Student Groups

- Race and ethnicity data, including number of students, academic achievement, discipline, attendance, and rates of progress between groups
- Special programs data, including number of students, academic achievement, discipline, attendance, and rates of progress for each student group
- Economically disadvantaged / Non-economically disadvantaged performance and participation data
- Male / Female performance, progress, and participation data
- Special education/non-special education population including discipline, progress and participation data
- Migrant/non-migrant population including performance, progress, discipline, attendance and mobility data
- At-risk/non-at-risk population including performance, progress, discipline, attendance, and mobility data
- Emergent Bilingual (EB) /non-EB data, including academic achievement, progress, support and accommodation needs, race, ethnicity, gender etc.
- Section 504 data

- Homeless data
- Gifted and talented data
- Dyslexia data
- Response to Intervention (RtI) student achievement data

Student Data: Behavior and Other Indicators

- Attendance data
- Discipline records
- School safety data
- Enrollment trends

Employee Data

- Professional learning communities (PLC) data
- Staff surveys and/or other feedback
- Teacher/Student Ratio
- State certified and high quality staff data
- Campus leadership data
- Campus department and/or faculty meeting discussions and data
- Professional development needs assessment data
- Evaluation(s) of professional development implementation and impact
- Equity data
- T-TESS data
- T-P ESS data

Parent/Community Data

- Parent surveys and/or other feedback
- Parent engagement rate
- Community surveys and/or other feedback

Support Systems and Other Data

- Organizational structure data
- Processes and procedures for teaching and learning, including program implementation
- Communications data
- Capacity and resources data
- Budgets/entitlements and expenditures data
- Action research results

Goals

Goal 1: DIP - Plano ISD will increase student learning as evidenced by an increase in the percentage of students performing at the Meets grade level standard on STAAR/EOC Reading and STAAR Writing from 2022 to 2023.

Performance Objective 1: HB3 - The percent of Gullledge 3rd grade students that score meets grade level or above on STAAR Reading will increase from 86% by June 2022 to 87% by June 2023. The Hispanic student group performance will increase from 70% in 2022 to 72% in 2023. The Economically Disadvantaged student group performance will increase from 74% in 2022 to 76% in 2023.

HB3 Goal

Evaluation Data Sources: 2023 Reading STAAR

Strategy 1 Details	Formative Reviews		
<p>Strategy 1: Provide ongoing job-embedded professional development to train teaching and instructional staff to utilize data to determine curriculum, instruction, assessment, and social-emotional needs to improve student achievement.</p> <p>Strategy's Expected Result/Impact: Teaching and instructional staff will:</p> <ul style="list-style-type: none"> -Develop, provide, and monitor high-yielding individual and small group interventions for both accelerated learning and effective project-based learning and enrichment as measured by T-TESS and walk-through observations, lesson plans, and Edugence goals -Utilize research-based effective grading practices such as rubrics and goal setting as formative assessments as measured by reading records, common formative assessments, mClass, MAP, Review 360, SST, and CogAT data to frequently progress monitor -Routinely identify intentional flexible groups based on student data and student response to intervention as measured by data dig meetings <p>Staff Responsible for Monitoring: Leadership Team and teaching staff</p>	Formative		
	Nov	Feb	June
	 <p>45%</p>		

Strategy 2 Details	Formative Reviews		
<p>Strategy 2: Monitor and support each PLC's implementation of the PISD Instructional Model to guide teacher behaviors and instructional actions which lead to student learning.</p> <p>Strategy's Expected Result/Impact: Teaching and instructional staff will collaborate and work interdependently to:</p> <ul style="list-style-type: none"> -Utilize quality data to drive fluid student grouping and identify students in need of tiered instruction, the frequency, and the plan for acceleration as measured by student growth in MAP, mClass, and Edugence goals. -Focus planning conversations on the PLC guided questions embedded in the Collaborative Team Framework, focusing on effective first teach, as measured by the campus planning walkthrough -Monitor student response to intervention and follow up through the SST process as necessary to determine additional services and interventions as measured by student growth in MAP, mClass, and Edugence goals. <p>Staff Responsible for Monitoring: Instructional Support Staff and teaching staff</p>	Formative

CAMPUS APPENDIX

STATE MANDATES IMPLEMENTATION REFERENCE

Texas law and Board Policies mandate the following be addressed with strategies for improving student performance. To increase the LEA's ability to focus on a limited number of targeted initiatives in this improvement plan, the LEA will plan, implement, monitor and evaluate the following mandates through other procedures and practices. When requested, the LEA Person Responsible will report progress to the site-based committee.

LEA Person Responsible for update	Mandate	Reference	Location of Documentation
Principal, Executive Director for Student & Family Services	<p>Bullying</p> <p>Staff Prevention</p> <ul style="list-style-type: none"> ● Identify high risk areas ● Monitor high risk areas ● Follow campus rules/expectations <p>Staff Education</p> <ul style="list-style-type: none"> ● Participate in annual staff training on bullying/sexual harassment/suicide prevention/trauma informed practices/human trafficking ● Review referral process <p>Staff Intervention</p> <ul style="list-style-type: none"> ● Establish recommended intervention strategies for classroom/campus ● Implement campus referral plan ● Utilize Discipline Management strategies <p>Student Prevention</p> <ul style="list-style-type: none"> ● Clearly state student expectations/campus rules/citizenship ● Monitor high risk areas <p>Student Education</p> <ul style="list-style-type: none"> ● Explain referral process/contacts ● Anonymous Tip Line <p>Student Intervention</p> <ul style="list-style-type: none"> ● Apply classroom interventions 	TEC 11.252(a)(3)(E)	The school will follow the Student Handbook and Board Policies: FFI, FDB, FFF, FFH, FO, CQA, and FFB.

	<ul style="list-style-type: none"> ● Employ discipline interventions ● Use other intervention strategies as necessary/appropriate ● Conference with parents/students 		
<p>Principal, District Coordinator K-12 Health and Physical Education, District Health Services</p>	<p>Coordinated Health Program Coordinated School Health</p> <ul style="list-style-type: none"> ● K-8 Designate a Campus Wellness Captain and establish a Campus Wellness Team; set meetings, establish measurable goals and document progress toward goal completion. Campus Wellness Plan ● K-8 Include at least one Parent on Campus Wellness Team. ● K-8 Ensure that all components of the Coordinated School Health curriculum are delivered in an appropriate setting, i.e. classroom component requires use of a classroom. ● K-8 Create a Coordinated School Health bulletin board inside the school building for students, staff and parents to view. ● K-8 Notify parents/community members of Family Wellness Nights/Health Fairs through use of marquee, newsletter, web page, and/or myPISD. <p>Fitness</p> <ul style="list-style-type: none"> ● 3-8 Pre and Post Assess all eligible students using fitness test components. ● 4th and 7th Ensure all data for 3rd - 8th grade students is entered on timely basis, fitness report cards are printed (4th grade and 7th grade) and sent to parents or linked through myPISD. Include at least one Parent on Campus Wellness Team. <p>Physical Activity Requirements</p> <ul style="list-style-type: none"> ● K-8 Campuses Only: Ensure students are receiving required physical education classes/minutes for each school year and achieving moderate to vigorous physical activity (MVPA) 50% of the physical education class period. 	<p>TEC 11.253(d) Board Policy FFA(Local)</p>	<p>The school will follow Board Policies: FFA and EHAA.</p>

	<ul style="list-style-type: none"> ● K-8 Measure MVPA and physical activity time using pedometers and heart rate monitors. ● K-8 Ensure physical education staff is using a sequential and developmentally appropriate curriculum which has students active at least 70%-90% of class time. ● K-5 Ensure students are receiving daily unstructured play during recess. ● K-5 Encourage opportunities for brain breaks and short activity breaks throughout the day. <p>Attendance</p> <ul style="list-style-type: none"> ● K-8 Monitor attendance of students and follow up on prominent and chronic absences. 		
Principal, Human Resources	<p>Recruiting Certified Teachers and Highly-Qualified Paraprofessionals</p> <ul style="list-style-type: none"> ● Local on-going high quality professional development based on campus needs or district identified needs is provided to all teachers in all core subject areas. ● Funding source: State and Local 	ESSA	
Principal, Executive Director for Student and Family Services	<p>Parent Involvement</p> <ul style="list-style-type: none"> ● Require all parents to register students via Parent Portal in order to have access to eNews, grades, attendance, and other electronic information. Funding Sources: SCE, Title I and Local ● Identify parents without computer/Internet access and offer assistance through the District Mobile Technology Lab for parent education and access. Funding Sources: SCE, Title I and Local ● Upgrade and maintain the campus website for easy access and increased communication with the community. Funding source: State and Local ● Communicate information through eNews and through hard copies when Internet access is not available. Funding source: State and Local 		

	<ul style="list-style-type: none">● Utilize social media to keep parents and community informed. Funding source: State and Local● PTA representative meets with the principal on a monthly basis to gain insight to student/parent needs. Funding source: State and Local● Partner with PTA to offer parental programs on a variety of topics (academic, social, etc...). Funding source: State and Local● Parent Education programs focused on relevant topics of interest will be available upon request by any campus or PTA
