Fluid [document](#) that helps you plan and review your course selections for your 4 years of high school.

Plan to maintain balance

- **Academics**
- **Extracurricular activities**
- **Social and family obligations**

Look ahead to future goals and select courses that help prepare you and broaden your experience

For more information about [AP courses](#)

AHS Course vs Advanced Placement(AP)

- Both are taught by Plano Academy Facilitators.
- AP Course requirements enrich the secondary school experience of learners ready to apply themselves to college level courses.
- AP test payment fee is paid in the fall.
- Both are open to any learner.
- AP credits are accepted throughout the nation. Check the policy at each college and university.
- College credit is not guaranteed upon completion of course (s); must pass the AP exams with a score of 3 or higher for college credit.
- AP Test scores are not on your transcript, only the grade you earned in the course
- All courses, on-level AND AP courses, are on a 4.5 grade point scale

We recommend that you not take more than two AP courses at a time.

A Good Candidate for AP Courses

- Is an independent student.
- Can navigate a campus website and complete class assignments and requirements without reminders.
- Is a mature learner and has been successful in past coursework.
- Is excited about the opportunity to explore the rigor of an AP level class.
- Enjoys a "collaborative" type style of learning.

We recommend that you not take more than 2 AP courses at a time.

All AP courses are taught by Plano Academy Facilitators

- AP Seminar (2nd year), AP Lang(3rd year)
- AP US History (3rd year)
- AP Human Geo (1st year), AP W. History (2nd year), AP U.S. History (3rd year), AP Government and AP Economics (4th year)
- AP Biology (3rd or 4th year), AP Chemistry (4th year), AP Physics (4th year)
- AP Pre-Calculus (3rd year), AP Calculus (4th year), AP Statistics (4th year)

We recommend that you not take more than 2 AP courses at a time.

Let's Get to Planning...

***Planning Tip: Use the course selection paper to keep track of the classes you want to take.**

*** Have a conversation with your parents, teachers and counselor before you input your classes into Schoolinks Online.**

Academy Registration Form

Academy High School Second Year Registration Form for 2024-25

Learner Name:	Learner ID#:
Parent Signature:	Date:

Use this form to indicate your course choices for the 2024-2025 school year.

For math, if you did not take Geometry in middle school, circle Geometry.

If you completed Geometry in middle school, circle Math Independent Study.

More information about these courses can be found at www.pisd.edu/coursecatalogs

Your choices will be reviewed by the counselor after you have entered them in Schoolinks.

All learners will take the following courses:		
English II	Art & Media Communication	
Algebra II	Engineering Design & Presentation	
Biology	Computer Science I	
AVID II		
Foreign Language: (circle one) ▼		
Spanish II	Spanish III	No LOTE: 2 credits have been earned
Math Credit: (circle one)		
Geometry	Math Independent Study	
Social Studies Credit: (circle one)		
World Geography	AP Human Geography	
Additional Credit Opportunity: (circle one)		
AP Seminar	No AP Seminar	

After completing this form, please enter your course choices in Schoolinks.

You can access Schoolinks from your PISD webdesk

At the Student Dashboard, choose the 'School' icon from the left-hand column

On the pop-up list, click on 'Course Planner'

Be sure the next screen says Academy High School and Foundation/Endorsement Plan,

Then click 'Let's Go'.

On the Endorsement Screen, choose STEM and Multidisciplinary Arts.

All learners at AHS will earn those two endorsements.

Click 'Continue'

Next you will scroll through the screens and choose your courses by subject matter.

Finally, check your course choices and submit by clicking 'Submit Plan'

These instructions along with screen shots can be found here. ↑

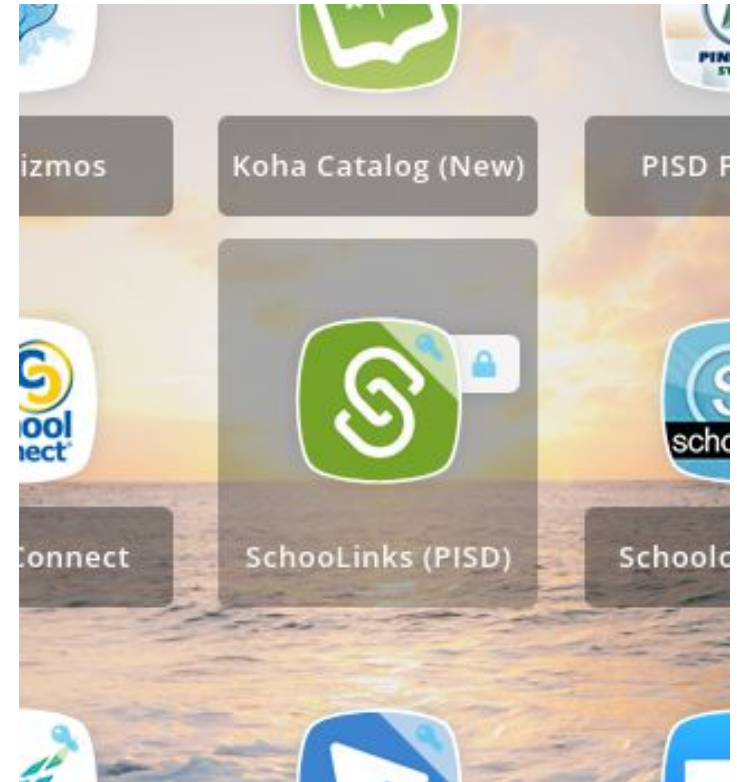

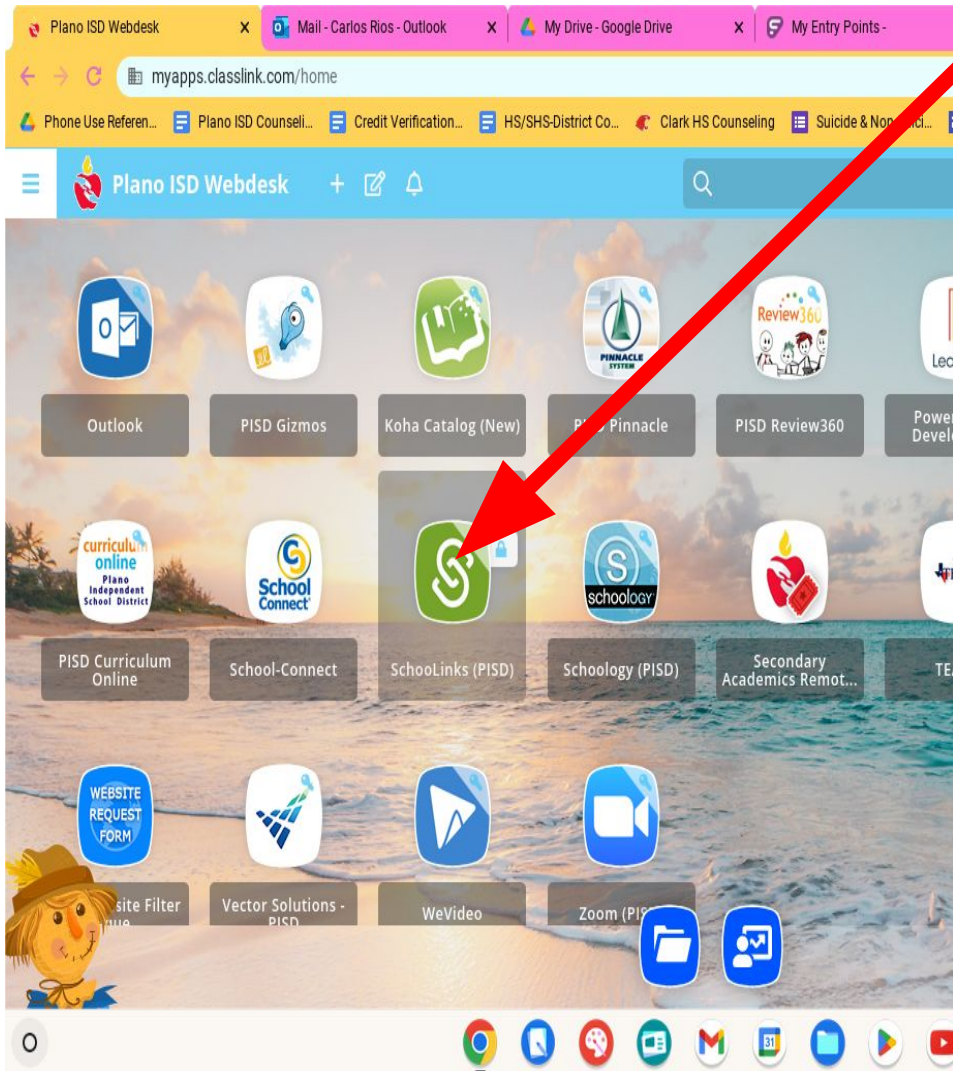

Please complete the paper registration form for your grade level. You were given a copy and you may also find them here.

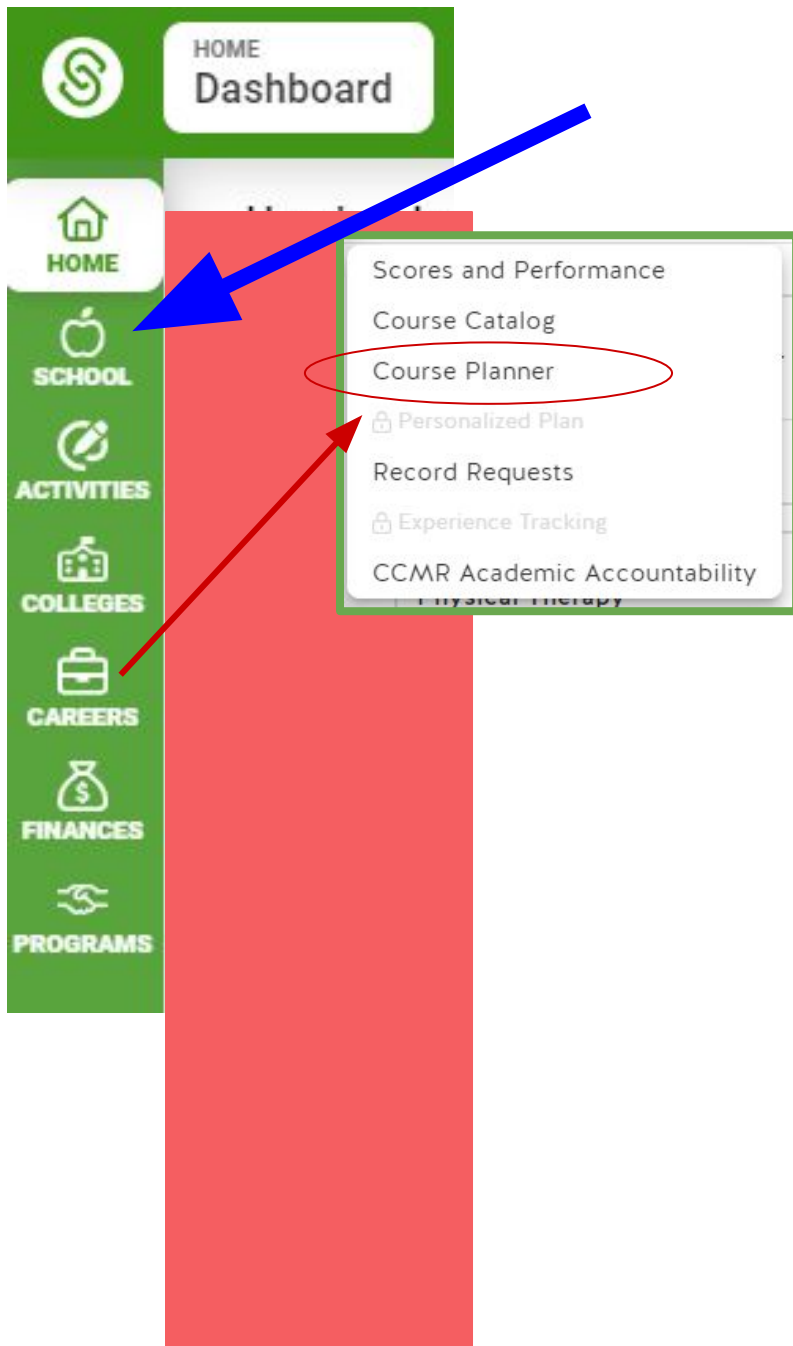

Once you have completed this form, you will enter your courses (catalogs) in schoolinks where you will maintain your four year plan.

Using Schoolinks

Selecting Courses

Verify it says Academy High School and Foundation/Endorsement Plan, then click "Let's Go"

Picking an Endorsement

Endorsement

Description

Program Requirement Met

Select 0 - 4 Endorsement Selections from the list of options. The Endorsement Selection selection adds requirements to the graduation plan, which determine the courses needed to graduate.

Choose from the list of Endorsement Selections options to see your selected Endorsement Selections here.

Arts and Humanities

7 Options

Business & Industry

19 Options

Multidisciplinary Studies

2 Options

Public Service

10 Options

STEM

3 Options

←

Continue →

Please choose...

All Academy High School learners earn the **STEM** Endorsement because you will be earning five credits of Science.

All Academy High School learners will earn the **Multidisciplinary Studies** Endorsement as well.

If you plan to earn 4 credits in Spanish, you may also choose **Arts & Humanities** as well..

Then click "Continue"

Picking Next Year's Classes - English

The screenshot shows the Schoology Course Planner interface in Student Demo Mode. The user is Doris Boehle. The page displays the English course requirements, which include 4 credits: English 1, 2, 3, and 4th year choice (EOCs: English 1 and English 2). A red banner indicates that requirements are not met. Below this, a grid shows the course selection process for grades 9th through 12th. The 9th grade row shows ENG 1 H (101031) with 1.0 / 1.0 credits. The 10th grade row shows ENG 2 H (102031) with 1.0 / 1.0 credits. The 11th and 12th grade rows are currently empty, with 'Add another course' buttons. A red box highlights the following course options:

- First Years-English I
- Second Years-English II
- Third Years- English III or AP English III
- Fourth years-English IV

The interface also includes a sidebar with navigation links (HOME, SCHOOL, ACTIVITIES, COLLEGES, CAREERS, FINANCES, PROGRAMS) and a bottom status bar with a search bar and system clock.

Picking Next Year's Classes - Math

The screenshot shows the 'School Course Planner' in 'Student Demo Mode'. The page title is 'Math'. A pink banner indicates '4 credits: Algebra 1, Geometry, Algebra 2, and 4th year choice (EOC: Algebra 1)' with a note 'REQUIREMENTS NOT MET'. Below this is a table with columns for 9th, 10th, 11th, and 12th grades. The 9th grade column shows 'ALG 1 H (152031)' with 2 credits. The 10th grade column shows 'GEOMETRY (153001)' with 2 credits. The 11th and 12th grade columns have a 'Select' button and an 'Add another course' link. A red box is overlaid on the bottom half of the screen, containing the following text:

First Years- Algebra I or Mathematics of Engineering
Second Years- Algebra II
Geometry OR Math Independent Studies
Third Years- Pre-Calculus or AP Pre-Calculus
Fourth Years- Calculus, AP Statistics, or AP Calculus AB

The bottom of the screen shows a Windows taskbar with the search bar and system clock (10:18 AM, 10/26/2023).

Picking Next Year's Classes - Science

The screenshot shows the 'School Course Planner' in 'Student Demo Mode'. The user is 'Doris Boehle'. The interface displays a summary of science requirements: 4 credits (Biology, 2nd year choice, 3rd year choice, 4th year choice). A red banner indicates 'REQUIREMENTS NOT MET'. The planner is organized by grade level: 9th, 10th, 11th, and 12th. In the 9th grade, 'BIO 1 H (204031)' is listed with 1.0 / 1.0 credits. In the 10th grade, 'CHEMISTRY I (205001)' is listed with 1.0 / 1.0 credits. The 11th and 12th grade slots are currently empty, each showing a red banner that says 'Take 2 credits' and a button to 'Add another course'. A red box highlights the 11th and 12th grade slots. A red box at the bottom of the screen contains the following text:

First Years- Physics
Second Years- Biology
Third Years- Chemistry or AP Chemistry
Fourth Years- Scientific Research & Design

The bottom of the screen shows a Windows taskbar with the search bar, taskbar icons, and a system tray with the date and time (10:58 AM, 10/26/2023). A 'Screencastify' watermark is visible in the bottom right corner.

Picking Next Year's Classes - Social Studies

The screenshot shows the 'School Course Planner' in 'Student Demo Mode' for a user named Doris Boehle. The page is titled 'Social Studies' and lists a requirement of '4 credits: World Geography, World History, US History, US Government/Economics (EOC: US History)'. Below this, a table shows the course requirements for each grade level:

9th	10th	11th	12th
HUMAN GEO AP (253251) 1.0 / 1.0 credits ✓	W HIST H (252031) 1.0 / 1.0 credits ✓	Take 2 credits. Add another course	Take 2 credits. Add another course

A red box highlights the 11th and 12th grade requirements, indicating that the user must take 2 credits in each of these years. The interface also includes a sidebar with navigation links (HOME, SCHOOL, ACTIVITIES, COLLEGE, CAREERS, FINANCES, PROGRAMS) and a bottom status bar showing the date and time (11:12 AM 10/26/2023).

First Years- World Geography or AP Human Geography
Second Years- World History or AP World History
Third Years- U.S. History or AP U.S. History
Fourth Years- American Government or AP American Government
Economics or AP Economics

As You Continue... other graduation requirements

First Year Additional Required Courses

Art & Media Communication I
Principles of Information Technology
Principles of Applied Engineering
P.E. Foundations
AVID I
Spanish 1 or 2 or no LOTE

Second Year Additional Required Courses

Art & Media Communication II
Engineering Design & Presentation
Computer Science I
AVID II
Spanish 2 or 3 or no LOTE
OPT IN additional course available:
AP Seminar

Third Year Additional Required Courses

Art II
Web Design
Engineering Design & Problem Solving
Spanish 3 or 4 or no LOTE
OPT IN additional course available:
AP Biology

Fourth Year Additional Required Courses

Practicum in Information Technology
Spanish 4 or 5 or no LOTE
OPT IN additional courses available:
Art III, AP Biology, AP Physics,

OPT IN courses are NOT required
